Don't wait. Let us give your car Texaco's Five-Way Protection now and avoid trouble and expense when cold weather comes.

1 For quick starting, change to winter-grade Insulated Havoline or Texaco Motor Oil.

2 For easier shifting, change to winter-grade Texaco Transmission Lubricant.

3 For smoother running, change to winter-grade Texaco Differential Lubricant.

4 For easier riding, softer springing, change to winter-grade Marfak Chassis Lubricants.

5 For anti-freeze safety, put a good quality anti-freeze in your radiator.

Only all five services give you complete protection. Drive in and let us change your car over for winter—now!
