Church Vitalization Program

The Baptist churches at Sparta and Laurel Springs are inaugurating a threemonths program for April, May, June which will interest every church member, and, it is hoped, will result in an increase in regular church attendance and a deepening sense of the value and need of true worship.

There is a rising clamor throughout the nation against the highway deaths which result from driver or pedestrian drinking. The call is to 'keep liquor out of the man, or keep man out of the automobile."

The National Safety Council, disinterested authority, estimates that one of every four fatal highway accidents during 1940 involved a driver or a pedestrian reported to have that this ratio may even underestimate the true situation!

Students of the situation stress the indication that the so-called moderate drinker is the danger on the highway; that the actual drunk is less likely to try to drive.

A majority of Americans are sane, sober folk and they now are demanding their own rights to life, liberty and the pursuit of happinessall of which can be wiped out in a flash by the action of an alcoholic, social misfit!
