INCREASE
A 20 per cent increase in the domestic
consumption of American
lumber this quarter from the first
quarter of 1938 is predicted by the
Commerce Department's Lumber
Survey Committee.

MORTGAGES
The Farm Credit Administration
estimates that 15 per cent of all
farms in the United States carried
mortgages in 1938, the debt amounting
to \$7,082,000,000.

During the past five years, the
United States has regained nearly
one-half of the Latin American export
trade it lost between 1929 and
1932.

BEER'S nation-wide taxes of a million dollars

provide many things that would otherwise in-
crease everybody's taxes.
In preserving this revenue for the nation,
the brewers recognize that the retailing of
beer must give no offense to anyone.
It is not, of course, the brewers' respon-
sibility to enforce the law. But they are cooper-
ating with all enforcement officials... to see
to it that the laws you have made are rigidly
observed.
