JUST say: "Pie tonight,"—and watch those eyes light up. For "most everyone loves a pie. The Pear pie outlined below is no ordinary pie, either—and its smooth appeal to youngsters and oldsters alike has been proved many times!

- PEAR PIE 1/4 cup sugar 1/4 teaspoon salt 1/4 tablespoons flour 1 1/2 cups milk 1/2 cup pear juice 2 eggs 2 teaspoons butter 1/2 teaspoon vanilla 1 baked pie shell 6 cooked or canned pear halves Jelly Whipped cream

Mix sugar, salt and flour in a double boiler. Add the milk and pear juice gradually and cook, stir ring constantly for 3 to 5 minutes or until thickened. Cover and cook for 10 minutes longer. Add a little of this mixture to the slightly beaten egg, mix well and return to the double boiler. Cook for a minute longer, stirring constantly. Add the butter and vanilla and stir until the butter is melted. Cool slightly and pour into the pie shell. When cool arrange pear halves on top with stem ends toward the center and cut sides up. Place a little jelly in the hollowed out part of the pear. Outline the pears with the whipped cream (sweetened and flavored if desired) put through a pastry tube. This makes a 9-inch pie.

Rounding 'Em Up

By LEON HEWITT

O. L. Wilson, Jr., members of the Goldsboro Chamber of Commerce and Goldsboro Merchants Association, together with their corp of entertainers and cooperating businessmen are shaping up things in a big way for what promises to be one of—if not—the greatest events of its kind ever held in Goldsboro. Of course, you know that we are referring to the "Free Auction Day" to be held on Center street all day Friday, May 19th. Already scores of things to be auctioned off have been listed with the various committees located at the key centers in Goldsboro trading areas. Please don't forget that valuable prizes will be given to all attending whether you are trading or auctioneering off something or are merely attending as a spectator.

W. E. Pennington has just advised the writer that "Toots" is fast recovering from a Caesarian operation recently performed on her by a Raleigh surgeon. The stitches have been removed and she has begun to take a deep interest in her little son, which, by the way, weighed only one ounce at birth.

It took the Goldsboro Bugs to break the winning streak held by the Williamston Martins. This column has held all along that if any team could knock the props out from under them that it would be our Bugs.

Dr. Zeno Spence will address the Townsend Club of Beaufort on Friday night, May 12th at 8 p. m. Representatives from a number of clubs in Eastern Carolina, including sev-

Herman Joseph had better sit up and take notice or Paul Worley will soon be offering him some stiff competition in comedy clown skits.

Clennon Aycock stopped by to see me last Sunday on his way back home in Lumberton and left his subscription for the Goldsboro Herald. Clennon was over here attending the "Air Show," which, by the way, was the biggest and best attended of any air spectacle ever held in eastern North Carolina.

Last Sunday we noticed a couple of firemen standing out in the highway in front of Pale-Dawson' place. It seems that these boys were acting traffic past the conflagration. Some lady from Raleigh drove up in a big car and asked who was playing ball. As though our fire eaters would play soft ball in the middle of a highway with a big fire going on across the street.

One of the most commendable things that has come to our notice recently was the donation of ten dollars by the Seniors of Goldsboro High School towards the trip of the Dillard High School Glee Club to the Garden Party to be held in Washington, D. C., on Thursday, May 18th. The Club has been invited to take part in the festivities by Mrs. Eleanor Roosevelt. If you have not contributed towards this trip and can do so, please mail or send your donation to Prof. Brown or phone him at 334 or 1080-R. Thanks a lot.

Last Monday afternoon, one of the ticket sellers at a local picture noticed a woman hanging around the front of the theatre. Finally she came over and asked the price of a ticket. He told her, she studied for a few minutes and then said to the
