There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

# Auction Sale of Small Farms

## Near Kings Mountain, N. C. Tuesday Sept. 8th 10:30.

This is 500 acres on the Shelby and Yorkville Road, in a southerly direction from Kings Mountain, near Bethlehem Church, known as the Herndon Church, Dixon, Weaver and Forney places, and the **McSWAIN HOME PLACE** property of M. L. McSwain. This will be cut into small farms and sold on the land, so you see exactly what you are buying. A large part of this land is cleared and in cultivation, with buildings and all necessary outbuildings on it; the land is especially adapted to the growth of corn, cotton and grains, and some of it is fine tobacco land. One of these tracts is on the National Highway. Land values are increasing all over the south. There is nothing safer than real estate; nothing surer to give you big profits than an investment in this land at the time of sale. Located as this is, so close to churches and schools, and with the good roads now being built, makes it especially attractive for investment for profit or home building, and is an opportunity that seldom comes your way which may never come again in a life time. Why not own your own home, and cultivate your own land? This is what you owe your wife, your children, and yourself. Go out and look the property over before the day of sale. Our Mr. R. H. Ford, the the advertising man at Kings Mountain, or Mr. M. L. McSwain, the owner, will gladly show you over the property any time. Don't forget the date of sale; wait for the sale and buy these choice farms at your own price, as we sell at auction and sell to the highest bidder.

Brass band concert. Gold watch and many souvenirs given away at the time of sale.

WE SELL RAIN OR SHINE

Easy terms, only 1-4 cash, balance in 1 or 2 years, with interest on deferred payments.
