Mr. Belk Writes Despairingly of the War.

What of the terrible war? How will it effect us, the people of the United States? Morally, we shall suffer with the rest of the world. We shall not be so deeply affected as we might be if we plunged our own hands in the blood of our fellows as our poor brethren in Europe are doing.

For after all has been said on the side of the virtues developed by the war we know that these people after this tornado has swept them will not be the same people. The index numbers of everything will stand lower after it is all over. The pressure of efficiency will fall when it is all over.

Indeed it will never be over. The long climb to the uplands of the soul towards which mankind struggles is not gained by sudden leaps.

A thousand years from now the world will be suffering morally and spiritually from the effects of this terrible war. Only the other day a French mother walked up the steps of the office in Paris where they gave out the news from the soldiers to inquire about her three sons in the army. She came out pale with the news and told a friend that they were all safe, safe in the arms of Father. "I am proud," she said, "to give all to the cause." When women folks of the men who make wars have to do this there will be fewer wars.

But men must still march, fight and fall. If we were embroiled in war, too, the world's outlook would be indeed black. The one clear spot in the sky is the grand old United States of America. Long may she unfurl her flag of peace to the world. Let us all be thankful that we are citizens of this grand republic.

Henry Y. Belk,

Farmers Meet.

There will be a meeting of the Cleveland County Farmers' Union in Shelby next Thursday, the 17th.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. Take Hall's Family Pills for constipation.

Singing Convention Sermon and Speech.

As the editor was present and will give a detailed report of the convention I as Secretary will confine my report to the sermon of Rev. D. E. Vipperman and the most excellent address in the afternoon of Editor G. G. Page.

Promptly at eleven o'clock after several songs by the different choirs Rev. D. E. Vipperman read the 156th Psalm and took as a basis for his sermon the influence of music. It was a great sermon delivered with splendid effect to a vast congregation who listened tensely to every word. The sermon, though very short (twenty minutes) was timely and showed that the speaker knew what he was talking about. Mr. Vipperman is the very capable pastor at Pattersons Grove.

In the afternoon at two o'clock the newly elected president of the convention, Editor Page of the Kings Mountain Herald made a fifteen minute speech that was the very best talk the writer has ever heard. His remarks at times were impassioned and eloquent, so much so that his very closest friends were delighted and surprised at his points and the excellent manner in which he drove them home. We all were very agreeably and delightfully surprised at the editor. Didn't know it was in him. The way he handled the subject in hand was done in a very convincing way, especially his advice to choir leaders about choosing always a song appropriate to the sermon also the bad effect of using one not appropriate. Wish all choir leaders could have heard it.

Editor Page proved by his rulings in the convention Sunday that we did a very wise thing when we elected him for our president and guide. May his tribe increase.

C. P. Gardner, Sec.

A list of all the churches and choirs in the bounds of this convention will be published in the "Herald" next week.

Mulnax

Mrs. Victoria Mulnax, widow of the late J. E. Mulnax, died at her home near Grover Wednesday of last week. She was a member of Grover Baptist church and her pastor, Rev. J. R. Miller, preached the funeral last Thursday interment following.

CASTORIA

Road May Be Built.

The long talked of and much honed for road leading from the termination of Kings Street at the city limit to the national highway near J. T. McGill's place is now in sight. The Gaston County Commissioners decided Monday to build the bridge and abutments if the people would build the road. Our people look at this as a fair proposition and have gone right after it.

A meeting was held in the room of the Kings Mountain Progress Association Tuesday night in regard to it. W. A. Mauney presided and a finance committee was appointed as follows: L. A. Kiser, J. T. McGill, W. S. Mauney, J. L. Mauney and P. R. Hay to solicit funds for the work. W. H. McGinnis was elected Secy., Treas. and S. A. Mauney corresponding secretary.

In the language of the streets, its up to the people whose property will be benefited and others interested in the road to pony up and build it. The proposed road is nearly a mile long and saves fully a mile in distance besides avoiding two railroad crossings, the Cora Mill crossing included. This is a proposition that certainly ought to carry.

Harry Falls Promoted.

Harry Falls, formerly connected with the accounting department of superintendent's offices at Greensboro has been promoted to chief clerk in the office of Engineer M. W., Southern Railway at Richmond. Mr. Falls entered the service of Southern Railway as a trainman and in September, 1912, he was given a position as a clerk in the chief dispatcher's office at Greensboro and was later promoted to time keeper in the office of superintendent at Greensboro.—Southern Bulletin.

Mr. Falls is a Kings Mountain boy, a son of Mrs. Lizzie Falls.

Entertainment For Everybody

People have a thousand and one ways of amusing themselves in the summer time, but as winter approaches, with its long evenings, everybody reads more or less.

You do a little visiting, but most of your evenings are spent at home, and it is a wise thing to provide your family with a sufficient amount of reading matter, so that every member of the family may have something useful and interesting to read.

Look over our list of magazine clubs, as advertised on page eight in this paper, you are sure to find just what you want. You can get a good farm paper if you need it, a good poultry paper, and one devoted to fruit culture, or dairy farming. You will also find in the different clubs many of the best story papers published, and others devoted to literature, fashions and household subjects.

Probably your own favorite journal is listed in this collection of the best and most popular magazines published, at any rate, you will not make a mistake in taking advantage of these bargain offers. You can get three fine high class magazines in connection with a year's subscription to our paper for practically nothing.

Let all the family help make up the list. Mother can have her paper, father can have his, and there will still be one left for the young folks. Send us in your order today. Do it before you forget about it. The extra cost is so little that it is hardly worth considering, and besides you will be made glad for a whole year by the monthly visits of three high class publications.

"Do it now."
