Entered November 17, 1903, at Kings Mountain, N. C., as second-class matter, under Act of Congress of March 3, 1879.

Mr. and Mrs. W. S. Dilling and Mrs. J. S. Hood returned yesterday from a week's trip to New York and Philadelphia.

Miss Bonnie Mauney who is a senior at Elizabeth College, Charlotte, has been elected president of her class.

As there is some work being done on the Bessemer Presbyterian Church there will be no service there Sunday morning but there will be preaching at the Presbyterian Church here at 11 o'clock.

Elbethel and Oak Grove items arrived too late for this issue.

**Cora Mill Crossing Takes More Toll**

Another automobile accident occurred at the Cora Mill crossing last Friday. Nobody was killed or any serious damage done but the escape was almost marvellous. A party of people from Lincolnton were on the National Highway headed toward Charlotte and as most strangers do, failed to see the railroad crossing. Jessie Kiser, son of L. A. Kiser had pulled up to await the passing of the train. The automobile came down by the Cora store and was going into the crossing just right to be struck by an approaching train. A gentleman who witnessed the late serious accident when two men were killed saw what was about to happen and fell in behind the automobile and raised an alarm. Amongst it all the motorist realized the predicament they were in and saw they must either run into Mr. Kiser's buggy or let train strike the car. They chose the lesser of the two evils and went into the buggy tearing off one rear wheel. The occupants of the car were, J. L. Lineberger and Mr. and Mrs. Hinson, of Lincolnton. They showed Mr. Kiser all the courtesies possible and were very much pained that they had done him the damage but on the other hand were rejoiced to save their at such comparatively small cost.

**Jno. Swift Dead**

Jno Swift, a young business man, of Bessemer City died last Sunday morning about seven o'clock after lingering more than a year with tuberculosis. He was a member of the holiness church and is said to have been a very good man. His pastor Rev. B. S. Williams of King Mountain conducted the funeral Monday afternoon at 5 o'clock after which the body was interred in the Bessemer City cemetery. He leaves three children.

**CAROLINA MAN WITH PUZZLING STOMACH DISEASE WINS RELIEF**

**W. R. Davenport of Parker Better After First Dose of Remedy.**

W. R. Davenport of Parker, N. C., long suffered from a peculiar malady of the stomach. He sought treatment with but little relief. At times it seemed that he would have to give up hope. He took Mayr's Wonderful Stomach Remedy and found immediate benefit. He wrote: For years I have suffered from a disease which puzzled doctors. They termed it catarrh of the stomach, saying the only hope would be a change of climate, and that in all probability I would never get well. Then I heard of your remedy. One trial bottle gave me instant relief. It made me feel like a new man. Your full course of treatment has about cured me. Several of my friends have also been cured. Thousands of others suffering from maladies of the stomach have found relief as quickly as

**DON'T TAKE WRONG MEDICINE**

If your liver gets lazy you need a liver tonic, not merely a laxative for the bowels. Many people take a simple laxative when the liver gets sluggish rather than take calomel, which they know to be dangerous. But a mere laxative will not start a sluggish liver. What is needed is a tonic that will live up the liver without forcing you to stay at home and lose a day from your work. You have such a tonic in Dodson's Liver Tonic. Dodson's Liver Tonic is all that is claimed for it, because the druggists who sell it agree to hand back the money with a smile, to any person not satisfied with the relief Dodson's gives. Dodson's Liver Tonic is a vegetable liquid with a very pleasant taste and is a prompt and reliable remedy for constipation, biliousness, sour stomach and torpid liver. Mauney Drug Company give their personal guarantee. Large bottle of Dodson's Liver Tonic is only 50 cents. For children or grown up people it is ideal medicine. Try it on guarantee.

**Meeting of Executive Committee.** The executive committee of the singing convention met in Herald office Tuesday afternoon and drafted a constitution and by-laws which will be submitted for action at the next meeting of convention. The time and place of the next meeting was fixed for Bethlehem on the fifth Sunday in November.

**COUNTY SCHOOL**

(CONT'D FROM 1ST PAGE)

That is the duty of the committee to secure a suitable boarding place for the teachers. Along this very line we are having no end of trouble in Cleveland county. In some districts the best homes are not open to the teacher. Some of our best country teachers are leaving the country schools and going to the villages and towns because the best people in the country would not board them. For the three years that I have been in this office I have noticed that districts that provided congenial homes have no trouble in holding the best teachers, while those not doing so must take what they can get. With the result that they have poor school. In one of the richest districts in Cleveland county with plenty of good home, two young ladies were compelled to board in a two room house with a large family, and were compelled to prepare their work for next day in the common living and sleeping room of the whole family. Another teacher told me that she liked the people whom she boarded, but that she did object to spending the nights in the sleeping room with a family of eight that her dozes were short between the crying of the baby and the snoring of the father. One district last year with good homes near the school, forced their teacher to walk two miles to board in a three room house with a family of seven, while another district forced their teacher to find board in a village three miles away. No good teacher will think of going back to schools like the above. The question of the teacher's boarding place is a serious one and should have serious consideration by the committee. The best homes in the district should be thrown wide open to the teacher, for the teacher with her soul full of the work is worth her weight in gold to any community. No committee should think of employing a good teacher with out first securing a good boarding place reasonably near the school. No teacher can do her best work unless she prepares her studies for the next day and no teacher can prepare her work in a room with the whole family. In closing this long letter, let me say that there are many districts in Cleveland county that provide the best homes for their teachers. About all these districts have good teachers who have not changed places in three years. These teachers are satisfied and they prefer the country schools to the town school. There is a reason

**GUESS THE POPULATION OF KINGS MOUNTAIN AND MAKE A DOLLAR**

The Herald will be in position to publish a complete and comprehensive census of "Greater Kings Mountain" in a few weeks. So anxious are we to know what the people think of our numbers that we have decided to offer a year's subscription to the Herald to the person guessing the nearest to the correct number of our population. The territory includes Kings Mountain proper and the suburban mill villages except Growders Mountain. All guesses must either be handed in or mailed before midnight Saturday Sept. 26. The contest is open to everybody. Just fill in the Coupon below and rush it into the office.

**"Ladder of Life"**  
"The Ladder of Life" program at Bethlehem last Sunday met with great public favor. Some visitor present declared that it was one of the finest programs ever rendered in this section. The exercise was based upon Jacob's dream and the ladder which he saw. Great credit is due the Bethlehem people generally, but specially to Superintendent S. C. Ratteree and Prof. C. P. Gardner music leader. These two were the pioneer spirits in the movement and they did their work in such a way as to receive applause and approval of an anxious public. Rev. D. E. Vipperman's address in the forenoon and the sumptuous spread at noon are also highly commended.

**Fugitive Arrested.**

Morgan Hill, the young white man who shot up the negro baptizing at Grover a few Sundays ago, was arrested here Monday night and removed to jail Tuesday to await requisition. The shooting was done across the state line and the trial will therefore, be in South Carolina. The man was spotted by someone here who happened to know him Tuesday night before the people had cleared the streets. The "Cops" were "made wise" before the fugitive knew it they had him thoroughly covered. Both Chief Fisher and Policeman Lindsay took a hand in the arrest. The man acknowledged all that he was charged with but refused to go across the line without requisition. Herald readers remember the story of the affair as it appeared in these columns five or six weeks ago. The man had ruthlessly thrown some cats in the pond to drown just before the colored congregation assembled for the baptizing. One of the half-drowned cats came in contact with the baptismal performance of the parson. The parson made some remark that didn't suit the offender who was present. Then he went home got a pistol and came back and shot the parson several times with only a knee wound. Hill had been at large ever since.

**Linwood Items.**

Linwood College opened Wednesday, Sept. 16, with prospects of a bright and happy year. Up to the present time including day pupils about thirty boys and sixty-five girls have been enrolled. There many bright and happy voices but some have had what they call the "blues". The faculty find trouble in finding a remedy that is suitable for such cases. However, the tears have not been flowing so freely as to wash away Linwood yet. Mr. Lindsay has selected an able faculty and we are sure they will do faithful and efficient work. The old students think that great credit is due Mr. Lindsay for the improvements that have been made during the summer. The new building is admired by all and the others are so inviting that there is some hesitation in making a choice of a room. By having electric lights, a good heating system, an abundant supply of fresh water, and daily mail from both Kings Mountain and Gastonia, we will enjoy many pleasures of the ordinary town. The Y.W.C.A. gave a reception in the new lobby and parlor of the new building on Saturday night in honor of the new students. Refreshments were served and every effort put forth to make the new students feel welcome. The young men are expecting to organize two literary societies and a Y.M.C.A. of this organization, so helpful to students, will have the hearty cooperation of every member of the faculty.

**Fire Monday Night.**

A house located near the brick yards owned by Billy Le Richeux and occupied by Ed Jackson and family, was burned Tuesday morning at three o'clock. The fire first appeared in the dining room from an unknown origin. Its distance from a hydrant made the fire department useless and only a small portion of the furniture was saved. The loss to Mr. Le Richeux is about \$100.
