## IN FAVOR OF CREAMERIES.

A good argument for the Creamery is contained in a recently published article going the rounds of many Western papers, which are desirous of establishing this industry in their respective communities. The following is the article in question:

A gentleman who is posted on financial matters, who has looked the situation over carefully and thoroughly, has this to say relative to the importance of the dairy industry from the financial standpoint in a community:

"One county in Iowa, the one (Cont'd on back page.)"

## 50 YEARS AGO

### RICHMOND FELL

Confederate Capital making big preparation for the fiftieth anniversary of fall.

RICHMOND, VA., May 17, 1915  
The second week in May finds plans for the twenty-fifth annual reunion of the United Confederate Veterans, scheduled to be held in Richmond, June 1, 2 and 3, all but whipped into perfect shape. Work of preparing for the handling of the reunion and the vast crowds that are expected to attend has been so thoroughly distributed by the committee system employed that Richmond will be ready to receive the visitors weeks before the actual opening date.

The 1915 reunion, which comes fifty years after the fall of Richmond and the end of the War between the States, is expected to be of the utmost significance and solemnity. To Richmond in June will come the greatest gathering of Survivors of the Confederate arms that has perhaps ever been seen. With them will come thousands of visitors relatives, and curiosity seekers, who will find much of interest during the week to repay them for the trip.

Acceptances from many Southern Governors of the invitation to attend the reunion as the guests of the Confederates have been received. The presence of so many State executives will lend much to the importance of the occasion. President Wilson's reply to the invitation of the general committee is still in abeyance. That he will also attend is the expectation of those in charge of the reunion.

Richmond, almost to the last man, is animated with the desire to make the twenty-fifth reunion the greatest event in the memory of the old Confederates. For one week the great city will be turned over to the visitors in strict truth. Each person seems determined that business and private affairs are to give place to the greater duty of entertaining the reunion.

Great plans have been made for the decoration of the city and of the Court of Honor, in particular. The Court of Honor is to be located at Lee Circle, in Monument Avenue, a situation ideally suited to such a purpose. Bricolage and motor in all Richmond is to be covered with flags and bunting during the first week in June and the city will indeed present a beautiful appearance.

## AT ELBETHEL SUNDAY.

Old Elbethel stamping ground and the handsome new Elbethel Church was a mecca for a broad area of territory Sunday. It was Children's Day and it had been given considerable publicity. The weather conditions were ideal and the fact that Stonewall J. Durham of Gastonia was expected to speak made it all the more inviting.

The children's exercises began about ten o'clock. They rendered a most beautiful and inspiring program. The selections and skill in preparation showed that the management of the Sunday school had taken the utmost care.

## SUPT. YODER

### IS RE-ELECTED

Present Superintendent of City Graded school has been re-elected to succeed himself.

It is with exceedingly great pleasure that we announce the re-election of Supt. R. A. Yoder to succeed himself as Superintendent of the Kings Mountain Graded School. Prof. Yoder is young in years and in School work, looks like a boy, but he has shown himself equal to all emergencies as instructor and disciplinarian in the schools here during the past year. He is not like some, good prospects, but is already as big as his job. Besides his school work Mr. Yoder exhibits an interest in the religious and civic life of our town and people.

The Corps of Teachers has not been completed but all the elections that have been made are from the incumbent faculty. Supt. R. A. Yoder is also offered a flattering position as principal of Bessemer City Graded School but we sincerely trust that he will decide in our favor and remain here.

## 640 MILE AT 76

### FORSYTH TO RICHMOND

A Confederate Veteran 76 years old passes through town enroute to Reunion on foot.

George Washington Sheram, a confederate veteran of Forsyth, Monroe County, Georgia passed through Kings Mountain last Thursday enroute to Richmond, Virginia to attend the Reunion of the Confederate Veterans in June. Mr. Sheram is traveling on foot and expects to walk into Richmond in good time. Although he is nearing his 76th year had about 300 miles of his 640 behind him when he passed here and had been on the road only nine days. Carrying out that schedule he will arrive in Richmond in due season and allow lots of time for rest on the way. He had walked all the way to except a lift of a few miles he took into Kings Mountain on automobile.

To prove his identity Mr. Sheram carries a testimonial over the signature of Geo. W. Newton, ordinary of Monroe County, Georgia, which introduces the man, describes him and states that whatever he tells is the truth.

Mr. Sheram is a man of medium build has beautiful white locks flowing well over his shoulders and through the heavy white beard bears forth a most splendid countenance. His demeanor is that of a chaste but honest toiler and is exceedingly cheerful withal.

Although he is slightly stooped and carries a cane he is very nimble for a man of his age.

He states that he is a painter by trade and suffers with lead poison in an arm and shoulder.

Mr. Sheram stated that he had enjoyed the best of fare and hadn't paid a penny for rations since he left home on May 4th.

Mr. Sheram states that he went through the whole war. He served the first year in 39 1st Georgia volunteers and was then transferred to the 53rd regiment Kershaw's Division, Longstreet's Corps.

## WILL SPEND SUMMER IN THE WEST.

Mrs. E. O. Cble and children and her sister, Miss Adna Garlington, will leave early in June for Missoula, Montana, where they will spend the summer in the old home. They have been away about two and one half years during which time their father, John J. Garlington has passed away.

John J. Garlington was born in Tennessee and reared either in North Carolina or South Carolina. He served the full four years as a gallant soldier in the Confederate army. After the war he journeyed to the west where he settled down on a farm, married and raised a family. Most of his relatives are in the Carolinas.

Anton Brothers of Gastonia have opened up a store here in the Baker building recently vacated by Nick Abdelnour. They will carry a line of dry goods and notions. Anton Brothers have been conducting a store in Gastonia for several years and have proved to be first-rate merchants.

## A BOLD THIEF

### IS WALTER SHARON

Stole horse and buggy at Salisbury and peddled clothing which he stole here, killed negro at Grover.

Walter Sharon, alias Shine Sharon, is doubtless a pastmaster in stealing. At least the officers here are satisfied that he is the man they want for robbing the Kings Mountain Pressing Club Monday night of last week and that Salisbury wants for stealing a horse and buggy on the streets of that city a few nights previous. Roy and Sidney Brown were awfully disturbed over the lift that had been made from their shop and about another dozen civilians were awfully upset because their Sunday clothes had passed between suns. The proprietors of the pressing club went to work with the local officers and soon scented the trail.

A dusky gentleman by the name of Walter Sharon better known as "Shine" Sharon was reported as traveling through the country near Sparrow Spring, the next day driving an exceptionally fine horse to a handsome rubber-tire buggy and selling second hand clothing. Roy went over the mountain to see what he could see and before he returned he had found and recovered all the missing clothes except two pairs of pants and one skirt. "Shine" represented to the people that his father had died leaving him the horse and buggy and that he was doing a retail business in second hand clothing. One fellow said, "he stole it mighty cheap", and he did for he let Bob Tribbles very best Sunday-go-to-meeting suit go for \$3.00. Two pairs of pants went for twenty cents and a skirt thrown in. One pair of pants went without money and without price. "Shine" was good to the darkies. If one needed a garment real bad and couldn't pay the price he reduced it to suit the customer, "Just to build up trade" we suppose.

About the time the above information was all in Chief Fisher received notice from the Salisbury officers of a stolen horse and buggy the description of which tallied exactly with that used by "Shine". On Tuesday night "Shine" drove into Gastonia to get his woman and before the officers could nab him he slipped away like a flea. At about this juncture in the game it dawned upon the authorities that "Shine" is wanted, by the state for the murder of a negro at Grover last August. Officers everywhere now are on the lookout for the offender. A reward of \$25 is offered by Salisbury authorities for the horse and buggy.

Below we give an excerpt from the York News account of the school closing at Hickory Grove, S. C. which relates to Prof. Holliday who has left the leadership of the Hickory Grove school to become professor of Science in Linwood College Kings Mountain.
