THE NEW YEAR

The new year is here. 1915 is a matter of history and the year 1916 is ours to improve. The new year has dawned upon us with much brighter prospects than did the last one. Our barns are fuller and our finances are in better condition. The Mexican problem has about corrected itself and bloody European heads are looking toward peace.

The Herald begins the new year with a heart full of thanks for the measure of success attained and bright with its prospects for the future. No new year ever held out better promise of prosperity.

As we reflect upon the departed year we call to mind those who have stood by us and whisper a silent "Thank you."

May the year 1916 see peace come upon the earth and the inhabitants lay aside the sword and spear and take again the tools of industry and begin to rebuild what has been torn down. May all men everywhere come to the conclusion that "Whatsoever concerns humanity concerns me," and act accordingly.

PAST DUE

BOILING SPRINGS

School debt is past due and must be paid.

(This article was intended for last week's issue but as we had no paper last week we use it in this issue hoping that it will serve its purpose at least in part. Editor.)

Dear Brethren:

There yet remains a balance of more than \$800.00 unpaid on the old indebtedness of the Boiling Springs High School. This must be paid without further delay and stop the accumulation of interest. The party to whom the money is due needs it. He has been exceedingly kind and patient with us.

The trustees have in hand in the form of notes and subscriptions ample funds to more than cover this indebtedness if paid. Some of these pledges were made several years ago, while the larger number were made during the great canvass in the fall and winter of 1912-13 and finally at the sessions of the two Associations in 1914 at Poplar Springs and Green's Creek, respectively. More than a third of the pledges made by churches and individuals at the Associations in 1914 have not been paid, although the minutes of both Associations give the names and pledges.

Brother, if your note or your pledge, or that of your church, is still unpaid, please see that same is forwarded immediately to Mr. E. B. Hamrick, Treasurer, Shelby, N. C., R. No. 3. On January 1st, 1916, collectors will be placed in the field to collect all unpaid notes and subscriptions. This will be expensive to the Board and every dollar sent in by January 1st will save that much expense.

We believe the brethren made these pledges in good faith that it has only been by oversight that same have not been paid. But the time has come now when these must be paid or the Trustees will be called upon to meet the deficit, although the present and former Trustees, jointly, have already contributed a large part of the money raised for our beloved school. I know our brethren too well to believe that they will suffer the Trustees to pay this balance when the pledges, if paid, are ample for this purpose.

The Board has long since decided that it will never again call on the Associations for further pledges to this old indebtedness, but if any brother has no pledge against him, feels called upon to send a contribution to our Treasurer for this purpose, it will be gladly and thankfully received.

The Lord has richly blessed our country this year and school is doing well. This is auspicious time for closing up this old score. This is positively our last public notice, but, if they do not respond by January 1st, collectors will call upon them. We shall expect our brethren to do their Christian duty.

J. H. Quinn, Chairman Board Trustees Boiling Spring High School

McIntyre-Costner.

Mr. N. W. McIntyre and Miss Lilla Costner were married Friday night, December 24th. Dr. O. G. Falls, Esq. officiated.
