FOR THE HOUSE
Having been solicited by many friends throughout the County, I have decided to become a candidate for the House of Representatives from Cleveland County, subject to the action of the Democratic Primary. If nominated it shall be my purpose to represent all the people of the county and to advance their every interest.

W. A. MAUNEY.

FOR THE HOUSE
To the Democratic Voters of Cleveland County:

As your representative in the Legislature of 1913, I secured the passage of two bills in the House, one requiring State Treasurer and the other requiring all Cleveland county officials having custody of public funds to secure interest on deposits in banks. The State and County treasurers are now obtaining interests on deposits in banks. The office of Cleveland County Treasurer having been abolished, against public sentiment, I stand for it being restored by the next Legislature. I now have unmistakable and convincing evidence that a few stand-patters who favored the law abolishing the office are planning and striving for the law to remain in force. I am convinced if the office is restored by the next Legislature, a strong and vigorous fight must be made before primary. I stand not only for restoration of the office of county treasurer, but for legislative authority to obtain much greater interests on all various public funds and at the least equitable expense to the county for efficient service. In obedience to the voice of a large electorate of my party, I offer myself a candidate for the democratic nomination before the primary, June 3rd for membership of the next General Assembly.

I am too busy with my farm to see you all. My past record is before you. If you believe I will represent the best interests of my party, county and State I would appreciate your support.

R. B. MILLER.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is cancer. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Rheumatic Pain Stopped

The drawing of muscles, the soreness, stiffness and agonizing pain of Rheumatism quickly yield to Sloan's Liniment. It stimulates circulation to the painful part. Just apply as directed to the sore spots. In a short time the pain gives way to a tingling sensation of comfort and warmth. Here's proof: "I have had wonderful relief since I use your Liniment on my knee. To think one application gave me relief. Sorry I haven't space to tell you the history. Thanking you for what your remedy has done for me." - James S. Ferguson, Philada, Pa. Sloan's Liniment kills pain. 25c, at Druggists.
