If the people of the town of Kings Mountain want to put the name of the town in every news paper in South Carolina and put it there in its very best light, let a big delegation go over to the Battle ground next Thursday and meet the editors who compose the South Carolina Press Association and usher them a cross, make them feel welcome as they come over to spend a while in our state. No people alive are more appreciative or quicker to recognize a good turn than the editors of the land. Let's give them a royal welcome, not only that they may return to their respective sanctuaries and herald us for in song and story but that we may evince the good fellowship that exists on the order. It's our opportunity.

In this issue of The Herald the Kings Mountain Realty & Insurance Company is carrying a list of farms and other property for sale covering an entire quarter of a page. Look it up and read over the list. If there is anything listed that you are interested in see them about it. If nothing appears this week that suits you watch The Herald from week to week; the very thing you have been looking for may bob up. Always say that you saw such and such a piece of property advertised in The Herald when making inquiry.

Work is not the curse nor the affliction that some people think it is. When taken in proper doses it is the best of medicine. It is being prescribed for many forms of invalidism such as heart disease, Bright's disease, nervousness, and particularly for insanity. The lack of work is often the cause of many chronic maladies and it is a wise physician who can determine when one needs work instead of rest and in prescribing the remedy produce no unpleasant situations. About the most unhealthy person, as well as the most unhappy and useless is the person with nothing to do.

Work is a dispeller of fears. It is the exercise that is essential to the body and mind as are food and air. It is only when work is carried to the excess that it becomes injurious, as in the case with food, rest and all good things.

The ideal of a healthy happy life is no longer a world where work is not necessary and life is one grand sweet song of idleness. Life is activity: in the broad sense, it is work - work that produces and entails sacrifice. It is not less work that we need, but work in the right proportions and under the right conditions. Such work is health.

**MRS. MAUNEY ENTERTAINS**

(Crowded out last week)

Mrs. D. C. Mauney was hostess Thursday afternoon May 11th to the Social Club.

A color-note of pink and green was observed in the decorations.

Delicious refreshments were served in two courses.

While busy fingers wrought dainty patterns in lace, tatting, and embroidery, pleasant conversations were entered into by groups of ladies in the parlor and reception hall.

A humorous reading was given by Mrs. E. W. Neal. She also gave two beautiful vocal solos accompanied by Mrs. J. S. Hood.

As on all occasions, Mrs. Mauney proved herself a charming hostess.

**SECRETARY LLOYD GOES TO CHESTER**

Mr. Alfred O. Lloyd, for the past two and a half years secretary of the Gastonia Chamber of Commerce, yesterday presented his resignation to President T. L. Craig of the chamber and at a called meeting of the board of directors held last night, to consider the matter his resignation was accepted with regrets by the board. This news will come as a surprise to many members of the chamber as well as to the public generally.

Mr. Lloyd's resignation becomes effective June 30th, on which date he goes to Chester, S. C., to assume the duties of a similar position as secretary of the Chester Chamber of Commerce, just organized, at a considerable larger salary than he received here. The Chester people are to be congratulated upon securing Mr. Lloyd for this position.

So far as is known the directors have no applications for this position and no one under consideration as Mr. Lloyd's successor. — Gazette.

**BAPTISMAL SERVICE JUNE 11TH.**

The ordinance of baptism will be observed at the Kings Mtn. Baptist church on the night of the second Sunday in June. There are eight candidates for baptism already and there may be others. These conversions are mainly results of the Browning tent meeting which closed here a month ago. During the time there have been ten additions by letter.

**REV. AND MRS. BEACH ARRIVED LAST WEEK**

Rev. and Mrs. W. R. Beach arrived last week. Mr. Beach preached his first sermon as pastor of the Kings Mountain Baptist church Sunday morning. A large congregation was present to hear the new pastor. This was his introductory service and the pastor consumed some little time in making his congregation acquainted with himself and then preached a strong sermon on co-operation. He insisted that the Christian with only a small calibre has his place to fill as well as the big strong Christian. The impression he made on his congregation was exceptionally good.

He will preach at Grover next Sunday and night.

His seven children will be

along in a few days. Mr. Beach and family will set up housekeeping in the old Baptist parsonage as soon as Rev. G. L. Kerr moves into his newly remodeled manse on Piedmont avenue. This will be only a few days.

The Bryson City Times has the following to say of Rev. and Mrs. Beach:

"Rev. and Mrs. W. R. Beach left Wednesday for Asheville to attend the Southern Baptist Convention. From there they will go to Kings Mountain, where Mr. Beach has accepted the Baptist pastorate. During the fourteen months that Mr. and Mrs. Beach resided here they endeared themselves to Bryson City people and leave many friends who wish them a full measure of life's pleasures. Mr. Beach is an able preacher and in all lines of church work was most industrious. In the work he was intelligently assisted by Mrs. Beach. As a result of their labors we doubt if there is a more thoroughly organized or better working congregation in the whole state than that of the Baptist church of Bryson City."
