## LINWOOD CONVENTION

WILL BE HELD DURING THE FIRST WEEK IN AUGUST.

DR. KYLE AMONG THE SPEAKERS SECURED

The laymen of A. R. F. Church plan a great meeting.

The laymen of the Associate Reformed Presbyterian church meets at Linwood College, four miles from Kings Mountain, again this year. The Herald takes supreme delight in making this announcement. It is a great advertising medium for our town if we make it so. We can make it so by co-operating with the management in securing transportation to and from trains. Linwood is one of the finest places in the world for rest and recreation and the people who attend these meetings find it out. It brings some of the greatest religious leaders in the country right into our community. But the greatest good coming from this convention is the inspiration that comes from it; the spiritual atmosphere which pervades the entire community and the souls of those who attend. The Herald here and now offers its columns for the promotion of this enterprise in any way the management sees fit to use it. We reproduce the following bulletin from the Associate Reformed Presbyterian, the official organ of the church, of last week:

### SPEAKERS

A large number of men of our denomination will make addresses and lead conferences. From other ecclesiastical bodies we expect five or more speakers. Each week we purpose giving the cut of one of these speakers. The first given is Rev. Joseph Kyle, D. D., I. L. D.

Dr. Kyle spoke daily at our convention last summer and repeated requests were made that he be asked to return this year. So many have testified that his messages were a great spiritual help to them. One of our leading ministers from one of the churches at Due West writes that Dr. Kyle alone would attract him to Linwood, so stimulating were his addresses last summer. To those who may not have heard him or known of him, it will suffice to say that he has the chair of systematic theology in the United Presbyterian Theological Seminary at Xenia, Ohio, and at the same time is president of the institution. He was recently moderator of the General Assembly of his church and is recognized as one of their very strongest men. With great intellectual force he combines rare spiritual strength. A rich, sweet spiritual moving personality is his and those who fall to hear him will miss a great blessing.

### SPIRITUAL PROBLEMS

Great stress will be laid upon the question of deeper spiritual living. How to live victoriously over every sin in our lives should be our greatest concern. Is there any matter of our lives more important than—how to overcome every sin that besets us and go through every day triumphant, more than conquerors through Him who loved us? Each day of the conference there will be special addresses on these questions that mean so much to us. Men whose lives abound with their testimony will open to us the plan of God for every heart. How all of us may live with all our temptations hatched our feet upon the path of victory.

Rev. W. R. Beach

Pastor of Kings Mountain and Grover Baptist Churches.

Born in Caldwell county, N. C., July 6, 1872. Lived on a farm and was educated in the public schools of his community, Hibernian Academy and Taylorsville Collegiate Institute.

Was married to Miss Katie Coffey September 4, 1895. Has been pastor of a number of churches in Caldwell, Wilkes and Catawba counties, also Elkin, Cary, Marshall and Bryson City, together with other churches near by.

## AN OPEN LETTER

To the Choirs constituting the Union Sunday School Singing Convention: Greetings;

Dear Singers: In the closing hour of our last convention at Bethlehem I told you that I wanted you to go back home and serve your churches and Sunday Schools better than ever before by furnishing better music. This I hope you are doing. If there is any tendency among you to lag along until near time for the next convention and then do a lot of practising just for the sake of the convention you are missing the spirit and intent of the whole enterprise. This is the Master's business and should be attended to as such. The work of the convention is to improve your services, increase your efficiency, and make you more useful in the Lord's work. This missed—all gone.

I have heard good things from some of you. One superintendent tells us that his school has been greatly improved. Was this your superintendent? or could he have said the same of you in good conscience?

The convention meets next with the Baptist church at Oak Grove the fifth Sunday in July. Hope you will be there with a record for service that you will be proud of. Choirs not already enlisted are invited to join.

Sincerely, your president,  
G. G. PAGE.

1. That the date is the first full week in August, Aug. 6-13.
2. That a very low rate of board is offered—only nine dollars for the nine days—from Saturday till Monday.
3. That from present indications it promises to be the greatest meeting in the history of our church.
4. That you can help make the convention the greatest spiritual force that has ever stirred our church if you will first pray with us every day for that blessing.
5. That it will abundantly pay you to make a sacrifice and attend the Linwood Convention.

## PAULINE MILL VICTIM OF CYCLONE

A cyclone swept through the northern side of town Saturday afternoon about four o'clock doing about \$3,000 damage to the Pauline mill. It struck the south end of the new spinning annex which is 90 by 100 feet. It took all the roof for 32 feet, stripped the metal for about fifteen feet more and badly upset the balance. The entire end of the building was removed from the second floor up. The entire roof was unsettled and apparently would have gone but for the heavy line of motors and belts fastened below. Practically all the machinery on both floors was soaked in water. Just how much damage was done cannot be estimated to any certainty but somewhere in the neighborhood of \$3,000. No insurance.

We hear of minor damages all along the trail of the storm but definite except that a tree blew across a tenement house of Mr. Boyce Weir in the western part of town doing slight damage. The house was occupied by Van cash. A Barn at Mr. Joe Hord's blew down on a mule, and lots of heavy timber was blown down.

## MEET AT BOILING SPRING

The quarterly meeting of the Cleveland County Baraca-Phila-thea Union will meet with the Baptist church at Boiling Springs on the second Sunday in July. The Boiling Springs people were exceedingly anxious for this meeting because they thought that they needed it. The indications are now that the various organized classes over Cleveland will make the occasion a real benediction to those good people; and we are sure that the Boiling Springs people will be a blessing to the classes. All organized classes are eligible and invited to participate.

## SHELBY PASTOR GOES

(Cleveland Star)

Rev. L. W. Swope, pastor of First Baptist church and chaplain of the First North Carolina Regiment, will leave tomorrow with the soldiers for camp Glenn. He has a leave of absence of 60 days from his pastorate. This was granted at a congregational meeting Wednesday night. Mr. Swope has been with the soldiers in peace, he will be with them in war, if need be. There is not a spark of a coward or shirker in him. As chaplain he ranks as Captain with pay of a First Lieutenant—\$2,000 a year.

## Governors of North Carolina, South Carolina, Tennessee and Virginia, will be invited with their staff officers.

Kings Mountain will undertake the biggest Seventh of October celebration this year it ever had. While there were not so many present at the mass meeting last Thursday night enthusiasm was at a high pitch. Brief but strong speeches were made by a number of citizens in support of the idea. Some stressed the enormity of the proposed celebration while others pled for the maintenance of the high standard. It was decided that the original plan of last year, to have the governors of North Carolina, South Carolina, Virginia, and Tennessee, with their staffs present, would be undertaken.

All the old officers were re-elected as follows: W. A. Ridenhour, president, F. E. Finger, vice president, Rev. C. K. Bell, secretary, and R. L. Mauney, treasurer. These officers have proven themselves already and the association thought it wise to continue them in office for another year.

The following board of directors was elected; J. B. Thomasson, L. A. Kiser, M. E. Herndon, J. R. Davis, and E. T. Fulton. The retiring board are as follows; L. A. Kiser, J. B. Thomasson, G. W. Kendrick, M. E. Herndon, and G. V. Patterson.

As the constitution and by-laws of the association had been misplaced it was ordered that the executive committee draft a new set to be submitted to a meeting to be held Thursday night, July 6th.

STATEMENT OF THE BALANCE OF KINGS MOUNTAIN MEMORIAL ASSOCIATION, R. L. MAUNEY, TREASURER.

## INCREASE P. O. RECEIPTS

Postmaster A. H. Patterson has received notice from the Post Office Department to the effect that his salary will be raised July first from \$1500 per year to \$1600. This is because of the increase in receipts. The total receipts for the year ending April 1915 were \$3985. Those for the year ending April 1916 \$4352.85. This shows an increase for the year of \$370.85. The receipts for the year ending April 1906, ten years ago, were \$2455.48, just a little more than half the present business. Mr. Patterson pays out of this \$25 per month or \$300 per year as part of the salary of the assistant.

## A LETTER BACK HOME

(Paul G. Peterson)

Mexican War correspondent of The Herald.

Asheville, N. C., June 24, 1916.

—Leaving for camp Sunday 3:30 p.m. on special train. Paul Mauney, Ralph Howser and myself. Please ask people to write to us often. We will not be able to answer all correspondence. Would like to read the Herald each week. Will give better news next letter. Too busy to write more now. Medical cases given us today. Our address is, Field Hospital Corps No. 1, Camp Glenn, Morehead City, N. C.

A severe storm covered a section in the vicinity of Mr. A. H. Black on route 1 last week. Besides heavy rains and small damages from winds in various places, Mr. Black's barn blew down on two mules and a hog. None of the animals were badly hurt. Mr. Black discovered that the barn had given way in time to get a young horse out but he was too late to save any of the others. It was a very large barn and practically new and the neighbors express considerable surprise that it should have blown down.
