YORK COUNTY GRANTS ROAD TO BATTLEFIELD

Mr. Hart of York phones news to Mr. J. M. Patterson that the road connecting the N. C. Highway with the Battlefield will be built.

That the proposed road connecting Kings Mountain Battlefield with the battlefield will be built by the authorities of York county is the news conveyed by Mr. John Hart of York to Mr. J. M. Patterson of Kings Mountain by telephone last week. Just when the work will begin or when it is expected to be finished was not learned. This will be glad news to the people residing in both North and South Carolina along the route traversed and will be the greatest boon to tourists and others wishing to visit the battlefield inaugurated since the battle. At present it is exceedingly difficult to get to the battlefield even by buggy from the North Carolina side. North Carolina authorities have built a good road to the South Carolina line, which extends to within about two miles of the battlefield, but that part of the route in South Carolina has never been improved. The extension of the road into South Carolina will not only facilitate the reaching of the battlefield but will open up a highway that will greatly serve a large number of people in getting to market. The people living between the state line and the battlefield have no good outlet in any direction and the new road will serve them well. The new road will be a more direct route to the battlefield than the old road. Beginning on the north hill of Kings Creek at Mrs. Robert Hambricht's it will go almost direct to the battlefield. A bridge will be built over the creek several feet above the highest water marks. A large amount of credit for getting this road is due Mr. John Hart of York. Citizens of North Carolina, of course, have done what they could.

CAPT. DILLING ATTENDS THE FUNERAL OF MR. A. C. SANDERS

Capt. F. Dilling received a telegram Friday morning stating that his old friend, Mr. A. C. Sanders of Ritter, S. C., was dead. This was sad and unexpected news to Mr. Dilling as he had a letter from Mr. Sanders the day before regarding a contemplated visit here. Mr. Dilling was much affected by the tidings and made haste to Gastonia where he boarded train No. 47 enroute to the funeral. Mr. Dilling and Mr. Sanders were of near the same age and had long been very close friends. Mr. Dilling for several years had visited Mr. Sanders annually during the fall for a long deer hunt and Mr. Sanders frequently visited Mr. Dilling here.

C. B. MOSS BUYS OUT C. T. CORNWELL

Mr. C. B. Moss has bought out the furniture business of Mr. C. T. Cornwell on Cherokee street. The deal was closed last week and Mr. Moss took charge. Mr. Moss is well-known in Kings Mountain and very popular as a business man. He was identified with business interests of East Kings Mountain for several years until recently when he sold his holdings there. We predict for him a successful business and take pleasure in commending him to the trading public.

CLEAN OFF SHILOH CEMETERY SATURDAY

We are asked to announce that those interested in Shiloh cemetery near Grover will meet there Saturday, August 19th, to clean it off.

went to look over the matter Wednesday and found the old bridge a considerable distance down stream and damaged to such an extent that it cannot be used.

A ferry is being agitated across Main Broad at or near the old bridge site and if some individual does not establish one, it may be that a company will be formed to operate one, as it will be some time before the steel bridge is put back. The bridge that was washed away was the most expensive bridge in the county.

OLD TRYON PICNIC AND MAUNEY FAMILY REUNION TO BE THIS SATURDAY

Descendants of Christian Mauney re-counted—Several good speeches—Spread dinner and good time.

The picnic at old Tryon Court House site between Bessemer City and Cherryville Saturday is expected to be of much interest. Hon. W. A. Mauney of Kings Mountain is the promoter of the occasion and he hopes to feature it with a reunion of the descendants of Christian Mauney, of whom he is one. Hon. Oscar Mason, of Gastonia, will be present to deliver the welcome address and introduce Messrs. A. Nixon of Lincolnton and Hon. C. R. Hoey of Snelby, both of whom will make speeches. A large attendance from both Cleveland and Gaston counties is expected.

PATTERSON GROVE ITEMS (Special to the Herald)

The people of this section are still "warring" with "Mr. Green." Some are being victorious, while some are being defeated, but regardless of all the rain and grass the crops are looking fine.

Our pastor, Rev. I. D. Harrill, has just closed a wonderful revival meeting at this place, which we feel has greatly benefited the community.

Misses Addie and Ava Hamrick are visiting relatives in Gastonia this week.

Miss Stella Patterson of Rock Hill, S. C., is visiting her grandparents. Mr. and Mrs. I. H. Patterson.

Miss Ancile Falls visited Miss Cora Ormand last Sunday.

Mr. J. W. Wright and family and sisters, Misses Ada and Grace, went over to Fallston Sunday to see their sister, who is right sick.

Some of the people of this section took in the "Big Day" at Cherryville Saturday and report a very nice time, especially Mr. Joel Wright, who won in the fat man's race.

Mr. Ben Ware and Miss Sallie Carroll were happily married Thursday, July twenty-seventh. Mr. Ware is the son of Mr. Tom Ware of the Oak Grove section, and Miss Carroll the daughter of Mr. and Mrs. John Carroll. We wish for them a long and happy life.

We hope many more of this community will get the same notion. If they don't we are going to be blessed, or cursed, (which is it?) with old maids and bachelors.

If this doesn't go to the waste basket will come again.

JANE.

SMITH-PREVATT

Mr. Ed Smith, assistant superintendent of a tin mine at Key-ville, Va., was here last week to see his mother, Mrs. J. North Smith. While at Keyville, Mr. Smith ran smack with old Dan Cupid and met Miss Clara Prevatt, of Lumberton, N. C., whom he married. Good luck to 'em. Mr. Smith's father, Mr. J. North Smith, is superintendent of the same mine at which Ed is engaged.

WORK BEGAN MONDAY TEARING DOWN AND RE-BUILDING GRACE CHURCH

New building will have brick basement and lower walls with frame super-structure—To cost about \$4,000.

The work of tearing down the building of Grace church began Monday and a modern new building will go up with all dispatch. This change has been in contemplation for several months. The plans were first to begin work on June first but the plan didn't materialize until now. The new building will be a combination of wood and brick. The basement and lower walls will be of brick while the upper part of the building will be wood. The basement will be arranged for the Sunday School.

Rev. B. A. Culp is pastor of this congregation and is one of the most successful preachers in these parts. This church is situated in East Kings Mountain. The Grace congregation has built a big brush arbor just above the church and will worship under it while the new building is going up.

MR. WILLIAM WHITE DIED SUN. NIGHT

At the age of 77 years and 11 months Mr. William White died Sunday night at the home of his daughter, Mrs. Lowry McGill, near Bethany and the remains were brought here for burial Monday. The funeral was conducted in the A. R. P. church, in which he was an elder, Monday at eleven o'clock by the pastor, Rev. G. L. Kerr, assisted by a former pastor Dr. J. M. Garrison of Anderson, S. C. and Dr. Galloway of Gastonia and Rev. W. P. Grier, pastor of Bethany church. Although the funeral was held on Monday morning and with short announcement it was well attended by many friends and acquaintances of the deceased.

Mr. White was a native of York county, S. C. He moved to Kings Mountain about twenty-five years ago where he remained until a few years ago when he went to live with his daughter where he died. He was a veteran of the civil war and a first-class citizen. While he lived here he was looked upon as one of the sturdy, substantial citizens that could be depended upon and as a pillar in the A. R. P. church. He was a constant attendant upon church services and his life stands as a towering monument to Christian character.

Deceased is survived by the following children; John F. White of Garland, Texas; Mrs. Elmer Spencer of Gastonia; Mrs. J. G. Hord of Kings Mountain; and Mrs. Lowry McGill of the Bethany section of York county, S. C.

Mr. John F. White, living so far away, didn't get here for the funeral. He left here only a few weeks ago after spending some time with his father who was very sick at that time but got better. Mr. White has been in failing health for several years and the infirmities of old age rapidly advanced upon him. Sadness hovers over the community for a mighty good man is gone from us.
