**Editorial Page**

We had intended issuing the biggest paper this Christmas time that had ever gone out from this office but owing to the difficulty of securing good printers we may have to stop short of our expectations. It was decided to get out a special edition anyway. If the merchants will co-operate with us in engaging space and furnishing copy in time we can make a respectable showing. We are expecting the merchants to loosen up nicely this year business is so unusually good. Business men may lay their plans for the biggest holiday trade that they have ever had. The land is full of money and the people are going to "set themselves up" this year at a high rate. Let several of the biggest merchants shake up their minds right away that they will take a whole page in our Christmas edition and the smaller ones space accordingly. The town got more advertising out of our six page edition last year than any other single undertaking.

**LAND SALE**

On Monday, December 3rd, 1917, at 12 o'clock a. m. at the Court House Door in Shelby, N. C. the Mike Borders Farm, containing 205 acres and located on Buffalo Creek in No. 4 Township, Cleveland County, N. C. will be sold to the highest bidder at public auction. This tract is only two and one-half miles from Gaston and two public roads go through this land one for a sand-clay road. It contains 40 acres of bottom and 75 acres of valuable timber lands. The remainder is tillable upland. The buildings consist of a seven room dwelling, three tenant houses, a good seven stall barn with sheds, a double crib, and other necessary outbuildings. This is a rare opportunity for farming, stock-raising and lumbering.

**TERMS OF SALE:** One-half cash on delivery of deed and remainder in one year, the deferred payment to be secured by deed of trust on the land. Deed will be executed by the tenants in common. The dredging assessments will be paid out of the selling price. For further information, call on or address either of the undersigned.

This November 1st, 1917.  
 James Borders, Grover N. C.  
 J. H. Quinn, Shelby, N. C.

**PROF. ORR CALLED INTO SERVICE**

Sept. F. W. Orr of the Kings Mountain graded school was called to Charleston last week to enter service in the United States Navy to which he volunteered last summer. This, of course brought rupture to the school work. But things have gone along more smoothly than one could have ordinarily expected. Miss Bonnie Maoney, principal of the school, was placed in charge of everything and with her usual executive ability has carried things along most satisfactorily. Mrs. M. L. Plonk was secured to teach in the high school department for Monday only. Tuesday morning Miss Edna Dixon was taken from the fourth grade and put in the high school department and Miss Lois Williamson of Patterson Grove was placed in charge of the fourth grade. This arrangement, however, is only temporary. Miss Williamson has been employed to teach in the Dixon school and can supply probably school longer than this week. The board is making every effort to secure a proper supply for Professor Orr and hope to have the school in normal shape soon. There was talk of sending a petition to the proper authorities asking for the return of Prof. Orr but this idea was abandoned when it was learned that the same course had been pursued in other cases without result.
