

## GIRLS! LOTS OF BEAUTIFUL HAIR

A small bottle of "Danderine" makes hair thick, glossy and wavy.

Removes all dandruff, stops itching scalp and falling hair.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine. It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knowlton's Danderine now—it costs but a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp, and it never fails to stop falling hair at once. If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this. Adv.

### Poor Grandmother.

Marion John is an Irvington boy, two years old, and he recently had a cold. In the course of which he made the acquaintance of calomel.

Two or three days later, his mother told him the story of Red Riding Hood. She came to the point where she had to impress him with the fact that Red Riding Hood's grandmother was ill, and she said that on a rather thick.

"Give grandmother calomel—give her calomel!" he shouted.—Indianapolis News.

If a married man is willing to pose as an "angel" his wife will enact all the other parts in the show.

Every flower, even the fairest, has its shadow beneath it as it swings in the sunlight.—Aron.

## Weekly Health Talks

What Doctor Pierce Has Done for Humanity.

BY DOCTOR CRIPPS.

It has always seemed to me that Dr. Pierce, of Buffalo, N. Y., should be placed near the top when a list of America's great benefactors is written. He studied and conquered human diseases to a degree that few realize. Whenever he found a remedy that overcame disease, he at once announced it in the newspapers and told where it could be bought at a small price. He did not follow the usual custom of keeping the ingredients secret, so that the rich only could afford to buy the medicine, but openly printed the name of each root and herb he used. And so today the names of Dr. Pierce and his medicines are widely known, and they stand for better health and better citizenship.

One of this great physician's most successful remedies is known as Dr. Pierce's Pleasant Pellets. These are little, sugar-coated pills, composed of Mayapple, leaves of aloë, root of jalap—things that Nature grows in the ground. These Pellets are safe because they move the bowels gently leaving no bad after-effects, as so many pills do. Very often they make a person who takes them feel like a new man or woman, for they cleanse the intestines of hard, decayed and poisonous matter that accumulates when one is constive. If you are constipated, by all means go to your druggist and get some of Dr. Pierce's Pleasant Pellets. They may prove to be the very thing your system requires to make you well and happy.

## PROCEEDINGS OF THE LEGISLATURE

HAPPENING OF INTEREST IN THE GENERAL ASSEMBLY OF NORTH CAROLINA.

### TO ABOLISH DEATH PENALTY

Reasonable Argument Advanced That Lynching is Not a Proper Method of Protection to Women.

Raleigh, Jan. 11.—Standing committees on the house were announced today by Speaker Brummitt. The committees and chairmen are as follows:

Regulation of liquor traffic, Matthews of Bertie, chairman; election laws, Neal, chairman; claims, Oliver, chairman; judiciary No. 1, Daws, chairman; expenditures of the house, Taylor, chairman; courts and judicial districts, Ray, of Macon, chairman; privileges and elections, Brown, of Pitt, chairman; banks and currency, Powell, chairman; engrossed bills, Dail, chairman; manufactures and labor, Love, chairman; judiciary No. 1, Grier, chairman.

Griffin, of Union introduced a resolution to amend the constitution and submit the question of woman suffrage to a vote of the people.

The Senate. In the senate, there was announcement of a special message from Gov. Bickett relative to the ratification of the federal prohibition amendment, but since the senate has already passed the resolution and sent it to the House, the message was not heard.

There was a message from the house announcing the passage of the resolution to allow Asheville to expend \$5,000 for entertainment of returned soldiers and sailors, but Senator Stevens, of Hunccombe, told the senate that he had a bill pending in the senate involving the same matter and that he wanted this house bill tabled. This action was taken.

The senate adjourned to Monday noon. Jan. 13.—Speaker Brummitt was confined to his hotel because of after-effects from taking the anti-influenza serum and Governor Doughton called the house to order at 2 o'clock. Many members who obtained leave of absence Saturday had not returned. Representative Stephenson led the house in prayer.

Appointments of sixteen additional committees was announced. The chairmen of the finance, health and education committees were announced. Col. Benehan Cameron is chairman of the roads and turnpikes committee and S. Brown Shepherd, of Wake, is chairman of the committee for the regulation of public service corporations.

The governor sent a special message to the senate and house urging the immediate appropriation of \$75,000 to be used for the purpose of rebuilding the two dormitories of the Caswell Training School at Kinston, destroyed on December 8 and January 5. He called attention to the fact that the children there are now sleeping in the dining hall.

The committee on rules, after consultation with Dr. Rankin, decided that it had a rule to bar the lobbyists without making a new one and that the best preventative against a congested hall would be to enforce it strictly. Under the house rule, which has been in vogue for years, only members, judges of the supreme and superior courts, ex-members, state officers and persons especially invited by the speaker, or some member are entitled to the privileges of the floor.

The Senate. The Senate was convened at noon by Lieut. Gov. Gardner and immediately after the invocation by Rev. Milton Barber, rector of Christ church, Raleigh committee appointments were announced.

The chairmen of some of the more important committees in the senate are: Holderness, appropriations; Seales, judiciary, No. 1; Long, of Halifax, judiciary No. 2; Davenport, agriculture; Wright, railroads; Harding, education; Gray, finance; Cowper, of

### Damages Asked for Pecans.

After waiting nearly two years for the railroad authorities to effect a settlement, W. A. Wayne has started suit in Superior court against the Norfolk Southern railroad for the recovery of damages for the loss of 500 pecan trees on his farm near Knightsdale. The orchard was destroyed by fire which, it is alleged, was caused by sparks from an engine owned by the company. The complaint states that only actual damages will be asked.

### Miss Ehrenfeld Made Director.

Miss Rosa Ehrenfeld, R. N., has been appointed director of the Public Health Nursing Service of the State by Dr. L. B. McBrayer, chief of the Bureau of Tuberculosis of the State Board of Health. Miss Ehrenfeld's headquarters will be at the State Sanatorium and she will have official connection with the State Board of Health through the Tuberculosis Bureau.

One feature of her work will be helping towns and communities to secure public health nurses according to their needs.

Lenoir, constitutional amendments; Glidewell, insane asylums; Forebee, public roads; Connor, banking and currency; Stacy, military affairs; Cooper counties, cities and towns; DeLaney, insurance.

### New Bills Introduced.

In addition to the bill of Senator Gray providing for the appointment of a budget commission, others included one by Senator Warren amending the state-wide road law slightly so as to make it apply to local conditions in Beaufort county and one by DeLaney to co-ordinate the illuminating oil act and the gasoline act with reference to inspectors.

After hearing a strenuous speech by Representative Stubbs, of Martin, and a half dozen other speeches in opposition, the house voted to ratify prohibition amendment to the constitution, the vote being 93 to 19. It was the resolution voted upon, so that the measure is now enrolled in readiness for signatures of the president of the senate and speaker of the house in its formal ratification.

The assembly, in joint session, canvassed the vote for United States senator and state officers, a perfunctory procedure that requires only 10 minutes, showing Senator Simmons' vote to be 142,524 as compared with 93,637 for his Republican opponent, J. M. Morehead.

Senator DeLaney of Mecklenburg introduced a resolution for a special joint committee of five to prepare a bill to confer on the county authorities powers of local legislation in compliance with the constitutional amendment heretofore ratified.

Both houses passed a joint resolution paying tribute to the lamented Dr. E. K. Graham, late president of the University of North Carolina. Senator Long, of Halifax, introduced a bill to increase the salaries of superior-court judges.

The bill by Senator Long, of Halifax, to increase salaries of judges would mean that the supreme court judges would receive \$5,000 instead of \$4,000 and superior court judges \$4,500 instead of \$3,250, and would make the expense fund of each \$1,500 instead of \$750.

### The House.

Jan. 15.—Speaker Brummitt convened the house at 11 o'clock. The prayer was said by Rev. Mr. McFarland, of the Methodist church.

New bills were introduced as follows:

Shepherd—Amend the law as to the taking of oaths by the corporation commission.

Shepherd—Provide for the erection of a suitable building for the state department of agriculture, by authorizing the expenditure of \$250,000 receipts of the department, when available for the purpose.

### The Senate.

The senate convened at noon with President Gardner in the chair. The oath of office was administered to Senator Haymore, of Surry, who has been detained at home by sickness until this time.

The senate spent the morning thrashing out rules to govern this session and rounded out a schedule of them patterned largely after those of the last session. New features exclude from the lobbies all persons except legislators and state officers, not even the president of the senate having the power to invite visitors into the lobbies, this being to safeguard the health of the legislators in these epidemic times.

### The House.

Jan. 16.—The house met at 11 o'clock and prayer was offered by Rev. D. N. Caviness, pastor of Central Methodist church.

In lieu of punishment by death for capital offenses committed in this state, Representative Saunders would have imprisonment for life in the state prison substituted. Soon after he was elected last November he announced through his paper that he would introduce the measure at this session and it is the first move toward state-wide reformation to hit the hopper.

The senate was convened at 11 o'clock by Lieutenant-Governor Gardner, prayer being offered by Representative J. B. Stephenson, of Northampton.

While the session of the senate wasn't "Much Ado About Nothing," it was devoted for the most part to an animated discussion as to when a bill, after being passed upon favorably by one, two or three committees should be sent to the appropriations committee, if the expenditure of money is involved.

### Appointed Embassy Attache.

Washington (Special).—Thomas Owen Moore of New Bern, son of Larry I. Moore, has received an appointment as attache of the American embassy in Paris. He will be sworn into service by the state department at an early date, but will defer actual sailing for Paris for several weeks. Meanwhile he will receive special training from the department of state which will equip him for the post abroad. The young man and his father were in Washington at the office of Senator Simmons.

### Two New Charters.

Charters were issued from the office of the secretary of state for the following corporations to do business in North Carolina: Trout Wilkie Lumber Company of Forest City, with \$50,000 authorized capital and \$200 subscribed. The incorporators are J. F. Alexander, J. H. Thomas and C. A. Wilkie, Forest City. Chadwick Fisheries Company of Beaufort, with \$100,000 authorized capital and \$45,000 subscribed. The incorporators are W. S. Chadwick, C. T. Chadwick and J. B. Caffrey, Beaufort.

## CHILLS, COLDS, FEVERISHNESS

Black-Draught Is Used by Virginia Lady for Colds, Fever and Other Troubles With Fine Results.

Rocky Mount, Va.—Miss Mae Chitwood, of this place, recently stated: "I have used Black-Draught for colds and stomach trouble and certainly have found it very satisfactory."

When I would feel bad and feverish, as though I was taking a fresh cold, I would make a good cup of Black-Draught tea and it would soon set me all right.

I can recommend it as a splendid laxative and gladly do so. You may publish my statement."

When you feel chilly, tired, feverish, headachy and fear that you are taking cold, take a good dose of the old, reliable, liver medicine you have heard so much about—Theodor's Black-Draught. It is made from purely vegetable ingredients, acts in a gentle, natural way, and by helping to drive out poisonous waste matter from your system, it will often, if taken in time, prevent a chill from developing into a cold.

Thousands of people, during the past 70 years, have found Black-Draught of benefit in such cases.

Try it, the next time you chill or sneeze.—Adv.

### Ladybugs to Fight Aphides.

Ladybugs will be collected by forest service men in Oregon before the period of hibernation is ended and freed in the wheat fields of the state to fight the aphides, of which the ladybug is the natural enemy. The ladybugs hibernate on mountain tops and in protected canyons.

### Important to Mothers

Examine carefully every bottle of CASTORIA, that famous old remedy for infants and children, and see that it bears the

Signature of *Wm. L. Fletcher* In Use for Over 30 Years. Children Cry for Fletcher's Castoria

### Without Improvements.

"Say," remarked his street car friend, "why do you club fellows refer to old Boreman as 'Bungalow'?" "Oh, he only has one story, you know."

Cure piles, headache, bad breath by taking May Apple, Aloe, Jalap rolled into a tiny sugar pill called Doctor Pierce's Pleasant Pellets, Adv.

Failure is the one thing that is spoiled by success.

## Trust Me! Try Dodson's Liver Tonic! Calomel Harms Liver and Bowels

Read my guarantee! Liven your liver and bowels and get straightened up without taking sickening calomel. Don't lose a day's work!

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tonic—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not siltivate.

Children and grown folks can take Dodson's Liver Tonic, because it is perfectly harmless.

Calomel is a dangerous drug. It is

mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tonic instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tonic acts better than horrible calomel your money is waiting for you.—Adv.
