The Eastern Finals were played in Gastonia between the seven teams representing the 24 eastern states. Charlotte was not eliminated until the last day, being defeated by Cumberland, Md., who later won the championship of the United States.

The Eastern finals will be played in some Northern state this year. Gastonia expects to be hosts to the "Little World Series" this year, which is a five game series between the winner of the Eastern and Western Finals. In this case Charlotte has been promised the regional finals.

NEW THREAT — Information emanating from Washington, D. C., indicates the certain candidacy of Congressman Lindsay C. Warren, of Washington, N. C., in opposition to Senator Josiah W. Bailey in 1936. While Senator Bailey has gone to the aid of President Roosevelt in recent weeks in a spectacular manner it is pointed out by Warren supporters that the primary of next spring "is just around the corner." Senator Bailey was said to have lost ground in his opposition to enactment of the Agricultural Adjustment Act, the Bankhead cotton control bill, the seed loan act, the St. Lawrence waterway act, the soldiers' bonus proposal, all except the last sponsored by President Roosevelt.
