## STORES NOT TO CLOSE

The merchants of Kings Mountain showed every co-operative spirit when Messrs J. E. Garvin and Paul Mauney called on them this week in the interest of the High School Football Team. It was at first thought that the merchants would be asked to close their stores and places of businesses for the first home game of the new season. But after conferring with the merchants it was decided not to ask the merchants to close, as the first game is scheduled for Friday, which is one of the busiest days of the week for the merchants.

An effort is being made to have some of the future games scheduled on Thursday, and maybe the merchants will be asked to close up.

Members of the Legion Post were very appreciative of the friendly spirit shown by the merchants in support of the High School Football Team.

## 11,970 BALES COTTON GINNED IN THIS COUNTY

There had been 11,970 bales of cotton ginned prior to Oct 1 of this year in Cleveland county as compared with 7,111 bales up to the same date a year ago. It was announced today by Thamer C. Beam, cotton statistician for this county.

The harvest season was delayed because of rainy weather and the first gin report showed the county far behind a year ago, but weather was more favorable during the last two weeks of September and the Oct. 1st gin report shows 4,800 more bales were ginned during this period than during the same period a year ago.

Farmers and buyers say the grade is excellent this year, but the staple was not up to standard during the early part of the harvest period.

The crop this year has indications of equalling that of a year ago. The three gins of Kings Mountain have ginned through Wednesday a total of 1,337 bales.
