Rev. Hamm Speaks To Class

Rev. L. Boyd Hamm, pastor of St. Matthews Lutheran Church spoke to the Sociology Class at Central High last Thursday. Miss Helen Crosland teacher of Sociology, turned her class over to Rev. Hamm for the entire class period.

Mr. Hamm discussed the social problems that are confronting America today. He spoke of the thing that is uppermost in the mind of youth and that is "Life." He told what life really is in the finer sense, and how to get the most out of it.

His jovial spirit has made him a welcome visitor at Central, and, if he is not careful his talk to the Sociology class will be made an annual affair.

Results Of The School Election (Mary Boyce McGill)

We now have an answer to the question which has been on our minds for so long. Will Kings Mountain's school rating be lowered? We have been holding our breath waiting to see what the answer to this question would be. I am sure I am speaking for the seniors and a number of others when I say that it is a relief to know the result. The issues voted upon were the school bond issue and the supplementary school term. Both of these carried by a large majority. In spite of the weather, people went to the poles to vote on this very important question. Members of the senior and junior classes went out to all parts of the town to bring in people to vote. We felt that Kings Mountain people would not let her boys and girls graduate from a school which had a lower rating than her neighboring schools. We are indeed proud of our citizens who have been responsible for the good result of the election. The seniors especially wish to express their appreciation to all who made it possible for our school to keep its rating.

Senior Class Rehearses Play

The graduating class, under the direction of Misses Sara Hambricht and Virginia Parsons, are rehearsing their class play, two-act musical comedy, "Harmony Hall", by Smith and O'Hara, which they will present on May 6.

The class play, one of the high lights of the senior year is entirely different in character from former class plays and promises to be thoroughly enjoyable. Being an unusually musically talented group, practically the entire class, assisted by several under-graduates, is taking part in the production. The combination of music, drama and humor in "Harmony Hall" will furnish the school patrons a delightful evening's entertainment.

The proceeds from the play will be used to purchase a gift for the school, something that will be useful and that will express in part the devotion of the graduating class to their alma mater.

LOCAL MEN AT MEETING OF GENERAL SYNOD

Rev. W. M. Boyce, pastor, and Mr. L. B. Ashe, elder, are attending the meeting of the General Synod of the Associate Reformed Presbyterian Church at Neely's Creek Church, York County, S. C. Others from the local A. R. P. Church will attend a part of the session. Mr. Boyce will return Saturday night, in time for the church services on the Sabbath.

BETH-WARE NEWS

By Euzelia McSwain

The El Bethel Woman's Club met at Mrs. Luther R. McSwain's home Saturday evening.

Miss Katherine Queen spent the week end with Mr. and Mrs. F. A. Queen of Shelby.

Mr. and Mrs. G. W. Murry were the dinner guests of Mr. and Mrs. A. L. Queen.

TO REMOVE PAINT

To remove old paint, dissolve 3 tablespoons cornstarch in 2 quarts water. Dissolve a can of lye in 1 quart of water and pour slowly into cornstarch. Stir until smooth. Apply to paint with old brush or swab. When nearly dry scrape with putty knife. Repeat if necessary. To neutralize the effect of the lye, rinse thoroughly in a solution of 1 cup vinegar to 1 gallon water.—The Progressive Farmer.

Sixteen Randolph farmers recently received 58,400 pounds of TVA triple - superphosphate to use in demonstrations with soil improving crops and pasture grasses.
