

Preparing Fair Grounds For Record Crowds

Cleveland County Fair To Be Held Sept. 27th through Oct. 1st.

Shelby, Sept. 13.—A corps of workmen is busily engaged at the Cleveland County Fair grounds preparing for what officials believe will be the record exposition of this county this fall. The fair, which will open Sept. 27 and will continue through Oct. 1, is fourteen years old. Annually it has grown and developed until it is the leading event of its kind in the Piedmont and Western sections of the two Carolinas.

More than \$8,000 in premiums are offered exhibitors and contestants at the Cleveland County Fair this year. Virtually every county of the territory surrounding Cleveland will be represented in the exhibits.

J. S. Dorton, secretary of the Cleveland County Fair, as well as

competing in the various events. These races will be under the official supervision of the contest board of American Automobile Association thus keen and fair competition is assured.

Featured grandstand acts include: Jumbo, the famous elephant which created the title role in Billy Rose's Broadway extravaganza, "Jumbo," assisted by a cast which includes a camel, a Great Dane dog and a pony in a complete repertoire of circus formations.

Helen Reynolds and Her Seven World Champion Skaters. Helen Reynolds world's foremost roller skater with her troupe which is recognized as the fastest skating act on the stage today.

Revelations of 1938. A 1938 edition of one of the cleverest and gayest musical comedies; a revue featuring

RAMBLIN' In SPORTS

Last week we said that "Boone" McDaniel balanced the Mountaineer line beautifully. And he does. But this week we have backfield news of equal importance. Morrison, another lad who hasn't played in a couple years, is in the backfield again; and another back, Johnny Kezziah by name, has also been added. Kezziah, a lad of 185 pounds, can block with the best of them, and kicks well. Morrison, one of the fastest runners around, can also kick. These boys, with Neisler and Gibson as their backfield colleagues, should bring home the bacon. And with "Boone," Bennett, Dickey, and Suber in the line, it looks mighty good. These boys make the team (as H. E. L. would say) a "Pretty Sight" indeed.

Mountaineers To Scrimmage Bessemer City Friday

BAND TO PLAY AT TILT.

By Whittington

Friday (tomorrow afternoon) Coach Crowell Little tries his version of the well known "Windmill system" for the first time, when the local gridders scrimmage against Bessemer City. Because of the fact that this game is only a scrimmage, the public will be admitted free. No other game is to be played until Sept. 30, at Newton, because Coach Little says that he believes it will take at least two weeks practice to find and correct and defects.

Two valuable additions to the team this week are Luther Morrison and Johnny Kezziah, both backfield men. Morrison is a fast runner, good blocker and also kicks. Kezziah who weighs 185 pounds (the largest on the team) is a blocker and kicker.

Together with Gibson and Keisler, these boys should give the Mountaineers, a backfield equal or superior to, any team in the conference.

The Kings Mountain School Band will be on hand to lend the tilt all the air of a regular game.

M. Logan entered when Hank Plonk withdrew and advanced to 7th position. In the Junior Ranks Charles Carpenter advanced to number 2 slot and Fortune came into second place.

Finals Standings:

Seniors: 1. Skimp Stowe. 2. Luther Cansler. 3. Bus Oates. 4. Bill Fortune. 5. Jim Everhart. 6. Jack Fortune. 7. L. M. Logan. 8. Fred Plonk.

Juniors: 1. Charles Carpenter. 2. Jones Fortune. 3. Paul Stewart. 4. James Littlejohn. 5. "Flash" Ware. 6. Bobby Allran. 7. Jack Randall. 8. Martin Harmon. 9. J. W. Jenkins.

Six acres of waste land have been reclaimed, for P. W. Lady, Route 1, Concord, by the Cabarrus County teracting outfit. Gullies were scrapped shut and the field terraced and subsoiled, leaving it in condition for cultivation with any type machinery.

Cattle owners of Beaufort County are cooperating satisfactorily with the compulsory program of testing for Bangs disease.

arranged for the outstanding amusement features of the county by the selection of those most popular at previous fairs with the newest in the form of entertainment this year. The various days of fair week have been designated.

Friday, Sept. 30, has been set aside as Governors Day and will bring Governor Clyde R. Hoey, of North Carolina, whose home is in Shelby, and in all probability, the Governor of South Carolina.

Tuesday, Sept. 27, the opening day of the fair, has been designated as School Day and all school children from all counties of this section of the two Carolinas will be admitted free.

Wednesday, Sept. 28, will be "thrill Day" and will feature the performance of Lucky Teeter and his Famous Hell Drivers who proved so sensational a success here, last year.

Thursday, Sept. 29, will feature the performance of some of the finest pacers and trotters of the horse racing world.

Saturday, Oct. 1, will feature automobile racing with some of the foremost race drivers of America

and laughter.

Detour Sensation. An aeroplane symphony atop a 900 foot apparatus in feats of balancing, amazing spins and synchronized gymnastics.

Demnat! Arabs. Seven performers from Arabia in a swift tumbling act of speed, endurance and agility.

Maurice and Vincent. Two of the greatest acrobatic comedians ever to appear before a grand stand.

Farm Questions Answered

Q.—When is the best time to sow hairy vetch?

A.—This legume can be seeded any time during September, October or November, but early sowing gives best results. Use about 200 pounds of seed to the acre and cover from two to three inches deep when sowing. Do not use rye with vetch where the crop is to be turned under as the rye will reach the proper stage for turning about one month earlier than vetch. Oats or wheat may be used for this mixture. Hairy vetch also makes good hay in combination with small grains, increasing both the yield and protein content of the hay.

Q.—What is the best fertilizer to use for lawns?

A.—If the soil is deficient in organic matter liberal quantities of farm-yard manure, or woods-mold should be added and thoroughly worked into the top two or three inches of soil before seeding. From five to six hundred pounds per acre of fertilizing containing 5 to 6 percent nitrogen, 10 to 12 percent available phosphoric acid, and 4 to 6 percent potash should then be broadcast and worked in the soil for Piedmont and Mountain sections. In the Coastal Plain section the fertilizer should be a 4-8-4 mixture.

Correction. Clemence McDaniel is a guard, and not a tackle, as we said last week.

And now someone pops up with the idea of a city basketball league. It sounds good. All the towns round about have them, and find them to be popular. A league of 4 or 6 teams should easily be organized; one at Margrace, one at the Pauline, the Stags another and the Lions Club, or some other organization, a fourth. It looks like a sweet set-up.

The only obstacle is whether or not the teams could play in the new school gym. And this is no difficult problem. All the teams could play one game each week, on the same night, in the gym. If there were four teams, this would be two games; and if six teams were organized, 3 games could be played. As the H. S. team plays on Tuesdays and Friday, the Civic League could work in a Wednesday night or Thursday night schedule. Although "Skimp" Stowe who advanced the idea, and several others have been planning and talking it over, no definite plans have been made. But it sounds good, looks good, and is a good idea. More power to those behind the movement!

Personals

(Cont'd from Society page)

to resume his studies at Davidson College.

Mrs. Thomas Crawford underwent a major operation at Mercy Hospital, Charlotte, Sept. 6, and is recovering satisfactorily.

Bill Woodson has returned to his home in Salisbury after a visit at the home of his uncle, Mr. Hayne Jackson, and Mrs. Blackmer.
