

Mountaineers Thrash Bessemer In Scrimmage

NEISLER STARS FOR LOCAL GRIDDERS

By Whittington—
The Mountaineer football team defeated Bessemer City 14-0 last Friday in the opening scrimmage for the local eleven. Neisler, K. M., quarterback, carried the ball over for both touchdowns and Gibson, half, went over standing up for the extra points. Bessemer City at no time threatened to score on the locals.
The Mountaineers were the unquestioned superiors from the first play, on which Gibson carried the ball for a first down. The locals rolled up a total of 6 first downs as compared with one for Bessemer City. Morrison, who along with Gibson and Kezziah had only 4 days practice, played a fine game, carrying the ball for two thirds. Red Harper, promising end, completed 2 passes for three chances to gain at least ten yards on each. One of these was a beautiful shoe string string catch and proves Harper's ability as an end.
No game is scheduled for this week, the first conference till being Friday week, Sept. 30, at Newton. This game is scheduled for night, starting at eight o'clock.
The "Mountaineers" Schedule:
Sept. 30: Newton, there.
Oct. 7: Cliffside, here.
Oct. 14: Shelby, here.
Oct. 21: Open.
Oct. 28: Cherryville, there.
Nov. 4: Harding High (Charlotte) here.
Nov. 10: Forest City, there.
Nov. 18: Blacksburg, here.
Nov. 23: Open.

North Carolina's prospective 1938 grape crop is estimated at 7,900 tons and is 40 per cent greater than the average crop produced during the 10 years from 1927 to 1936, reports the State Department of Agriculture.

RAMBLIN' In SPORTS

With the weather at last beginning to take a turn in favor of football, the Mountaineers are whipping into shape for their tilt Friday week with Newton, their most formidable foe. This week also finds a new recruit on the local gridiron who should help the team considerably. He is none other than Wesley Kiser, who hasn't worn the Black and Gold grid regalia since '36. We don't know yet just what position Kiser will play, but he has plenty of speed and should prove valuable in any place him.

Poses this to Mr. C. B. Thomason, who has helped us so much with everything connected with the football team. Had K. M. a few more men who supported the team as much as Mr. Thomason, it would be a grand sports world we live in.

We can't help saying something about the proposed Basketball league. It's such a swell idea. We have not heard anything about it this week, but we hope that Mr. Stowe and the others back of the move are still working for it.

Last week Lexington walloped Newton. Two weeks back Bessemer City held Lincoln for forty minutes. We beat B. C. last week. Lincoln rates next to Lexington. Am I nuts? ... Nope. Just trying to prove by averages that we will beat Newton. Take it away, Gene.

MAYOR OF TOWN INVITED TO FOOTBALL FESTIVAL

Mayor and Mrs. J. E. Herndon of Kings Mountain have been invited by Mayor Ben E. Douglas of Charlotte to be his guests at Charlotte's first annual Football Festival featuring the Davidson-N. C. State football game, Saturday, Sept. 24.

They will be among mayors of 50 towns and cities in North Carolina and South Carolina who will review the big football parade at 5 o'clock from in front of Charlotte's city hall. The mayors and their wives will sit with other dignitaries in the special guest box in Charlotte's new stadium in Independence Park which holds nearly 16,000 persons.

More About Red Cross

(Cont'd from front page)

fore the services of a physician can be secured. The Chapter had three instructors to qualify this year. One course has been completed by some of the employees of the Phenix Mills, under the instruction of Mr. H. C. Wilson.

One course is in progress now, being attended by Scoutmasters and firemen. Mr. Detmar is to conduct a course in Shelby beginning the 23 of September. This course is for WPA foremen.

Life Saving
This service is organized for the purpose of teaching swimming, life saving and water safety. A class was conducted at Lake Montonia by Mr. Rhett Chalk. Eight Life Saving certificates were issued; two senior Life Saving certificates, issued; and one Examiners Appointments issued **Junior Red Cross—Miss Paulita Adair, Chairman**

The Junior Red Cross is a union for service among the youth of this country and forty other nations of the world. Its program is carried on through the schools. In Kings Mountain every white child in our city school system and a large number in the colored school were enrolled last year. This was not an enrollment by the payment of dues, but by a participation in activities suggested by their motto, "I Serve." Jr. Red Cross members sold T. B. Health Bangles and took in over \$13. One teacher and two Junior Red Cross members from the Colored School were sent to Asheville as delegates to the First Southern Negro Rally of the Junior Red Cross.

This service deals with cases other than Home Service cases. Kings Mountain Chapter gave direct relief to 173 families this year. This includes food, fuel, milk, shoes, new clothing, prescriptions, doctors' calls and office visits and miscellaneous.

Mrs. Ruth Gamble, Executive Secretary, planned the following orders during the past year:

254 orders for food	\$ 495.74
32 orders for prescriptions	254.83
50 orders for fuel	125.23
45 orders for shoes	127.27
12 orders for clothing	37.67
Doctors	45.75
Milk	223.35
125 pounds yeast	30.38
Miscellaneous	49.23
Transients	7.18
Total	\$1,396.63

The loan closet, consisting of bedding, towels, gowns and pajamas, has been used by 17 persons. 218 used garments were distributed from the emergency closet.

Washington Snapshots

(Cont'd from front page)

means that people have more money to buy what the farmer has to sell. And why is business getting better? There are dozens of answers offered to the question. But the best answer is that nobody knows. The richest nation in the world, populated by the most industrious people in the world, is getting back to normalcy of its own accord.

Even government economists admit that, except for its psychological effect, the pump-priming billions have had nothing to do with business recovery. Six to eight months from now when the pump-priming billions do get into circulation, economists worry over their effect on a recovering patient.

Thus, it is not a case of planned recovery. All the control laws and all the regulatory laws failed to prevent the business slide in 1937. And they are not responsible for the up-trend now. America is just coming back regardless.

More will be heard of the Dies Committee investigating un-American groups. The best proof that the committee annoyed some of the ISM sympathizers was the way they sought to ridicule testimony presented. No witness before the committee in any way implied that little Shirley Temple was a communist or even a sympathizer. She was mentioned as one of many good American citizens whose spokesmen inadvertently had permitted use of her name by a foreign paper of communistic faith.

But hardly had this story appeared in print before some of the ISMITES twisted the testimony. They tried to put the committee in a ridiculous light by saying it had called the little actress a Red.

School Children Get Free Fair Tickets

SHELBY, Sept. 20.—1,451 free tickets for the school children and 44 tickets for the teachers of Kings Mountain for the Cleveland County Fair of 1938 are being placed in the hands of B. N. Barnes of Kings Mountain.

These tickets will admit the school children and teachers of Kings Mountain free on the opening day of the Fair, September 27, which has been designated as "School Day." The Fair will continue for four more big days, through Saturday, Oct. 1.

Close to 75,000 free tickets will be given the school children of the various counties in this section of the two Carolinas. The Cleveland Fair is the largest event of the Piedmont section of the two Carolinas and attracts both exhibitors and spectators.

Exhibitors this year will compete
