

THIS 'N THAT

By Alice Burton

Patterson Grove Section

Monday was a "Red Letter Day" for the school children of this section, because school began at Patterson Grove and Beth-Ware. The first day of school is always so exciting! You see old friends and meet new ones and succeed in having a good time. I hope all of you make good grades and enjoy school this term.

"The Wood Violet" a three-act comedy, will be presented by the high school students of Beth-Ware High School Saturday night, Nov. 12. I'm sorry I can't give further details, but be sure and find out about the time and admission and go.

There was a corn husking at the

David Wright's Halloween night. I'll bet one little boy thought the spooks were after him when he ran into a pan of water just as some one was throwing it out. Oh dear! That sounds awfully complicated but you know what I mean—I hope.

One boy has been teased a lot this week because the boy he got to take him after his girl Halloween night, took the girl! Don't let their teasing get you. Tell them there's other fish in the sea!

Now let's see what the folks have been doing:

Those who visited Mr. and Mrs. C. P. Ware and family Sunday were Mr. and Mrs. Carl Ware of Bessemer City, Mr. and Mrs. G. T. Thornburg of Kings Mountain, Mr. and Mrs. Howard Ware and daughters, Cornelia and Kathryn, and Earle and Mearl Scism of this community.

Misses Elizabeth Putnam and Helen Patterson spent the week-end with Elizabeth's grandparents, Mr. and Mrs. George Hord of Lawdale.

Misses Helen and Rosavee Scism were week-end guests of their sister Mrs. Ralph Allen of Shelby.

Miss Kathlee Goforth spent Sunday night with Miss Ruby Ware.

Mr. and Mrs. G. W. Greene and children of Phenix Mill village were visitors in this section Sunday.

Special to Mrs. Clark Williams, nee Miss Pauline Ballard: Congratulations and good luck!

TOM AND GEORGE

Tom: "George, what would you call a woman who was so much in love with her divorced husband that she was saving up her alimony money to buy him a wedding present when they re-marry?" "I'd say she was a prize dumbbell with bats in her belfry." Maybe if he'd tried to keep their home in an attractive manner before they were divorced, that they'd not have to go to the trouble to try it again.

That is true of the lowest priced car or the highest. All have one important thing in common—inherent quality. Their quality comes from fine materials, precision workmanship, and from the fact that back of these cars is the only automobile plant

of its kind—where production processes are controlled from iron ore to finished car—and savings passed along as extra value.

Things are happening in the automotive world this year! Nowhere is the advance more marked than in the Ford Quality Group. See our dealers before you buy any car at any price.
