Preventia

When you see those interesting big gray-green Southern Bell trucks rolling along, you're likely to think they are going to the scene of some break in the telephone lines. Breaks ARE repaired quickly, day or night, but merely repairing breaks after they occur wouldn't provide the kind of telephone service you're entitled to. It is also necessary to prevent interruptions to your vital telephone service. This is done by constant checking—replacing weak units—reconstructing in accordance with new knowledge and materials—maintaining unceasing visilance over the long distance lines to locate and correct

#### SPORTS OBSERVATIONS

(By M. A. R.) The Kings Mountain Lions Club basketball team has turned out to be one of the chief topics of conversation among sport fans here. Whenover one finds a group of sport addicts, the conversation invariably turns to basketball with many friend ly arguments arising as to the value of each player to the team. Many fans will argue you until they are blue in the face that "Coach" Little is the fastest man ever to play in our town; others are just as persistant that "Coach" Smart is the best

player ever seen here. Gere, Fulkerson and Humphries also have their share of supporters, which all adds up to the fact, that this team has caught the public fancy more than any we have had in

years. The Lions Club is to be congratulated on the high calibre of teams they are playing and so long as they continue to play the brand of ball that has been shown, they deserve the unlimited support of our com-

It certainly was pleasing to see the large crowd at our high school game last Friday night. This is always a good inspiration for our coacnes a

we can show our support in no finer way than by attending home games. The high school teams have not been quite so successful this year, but this writer knows that our coaches have worked hard and long hours in trying to give us good team. It is impossible to make a basket ball player in a few weeks or months and due to our lack of facilities here, up until this year, our boys and girls have had little chance to develop.

In a few years if we are fortunate enough to keep our present coaching staff I think that . Kings Mountain will have the most feared teams of the Conference.

#### LIONS IN BENEFIT GAME

ary 23, the Lions will play Gastonia, C. D. A., one of the best teams in Gaston county. The Lions have greed to let the High School Athletic

Fund be the beneficiary of all profits made in this game, with the understanding that this money be used to help purchase uniforms fir the base ball team. This should be one of the fastest games played in Kings Moun tain this year. C. D. A. possesses in Jim Morgan, former Davidson College star, one of the high score men in the Gaston County League. should be a real treat to see him and Smart tangle in a contest ti see who could hit the basket the most times from the most unorthodox po-

sitions.

The Mountaineer boy cagers drop ped two games and the girls one, the boys losing to Forest City and Cliffside and the girls beating the former but losing to the latter Friday and Tuesday nights respectively.

The boys were in poor form last Friday night and showed little fight against the stronger Forest City quintet. The girls outclassed Forest City femmes, but bowed fore the Cliffside team.

The scores for the girls: Mountain 28; Forest City, 15; Cliffside 34; Kings Mountain 16.
