KRITICAL MOMENTS AND HOWLARIOUS SCOOPS

(By The Tattlers)

Hello again. Can we come in again? Well, we're in anyway, and the only way to get rid of us to turn the page. So we'll launch right into it before you do just that.

HEADLINE: JIMMY DICKEY HAS A GIRL! He and Nancy Edwards seem to be getting plenty serious.

Deane McDaniel must be terribly lonesome. He sits looking at a gal's picture all day. Who the gal is was not reported, but we could venture a guess. Nope, we're wrong. It could not possibly be 'PK'?

Have a good time in Greenwood, Charles?

Personal note from "George": It's a lie. Whatever the gossips are whispering about me is an atrocious untruth, and I can prove it. Who said it, anyway?

Note from "George" to Marie: Note here says 'We wonder how this three way affair between Moss, Roberts, and Kezziah will come out? Confidentally we think Kezziah is winning.' When are you gonna give that guy the air and really be the "Love of My Life"?

All you other gals are not supposed to commit suicide because of the paragraph above. Can I help it if I'm so appealing, and Marie appeals to me so much?

Congratulations to the Band for beating Central High of Charlotte. The other competitors don't matter so much.

The square dance is taking the place of the Big Apple (thank goodness). Anyway, it proved plenty popular at Paul Jrs. and Betty Lee's Friday and Saturday nights.

Personals

Mrs. T. G. Hudspeth visited her sister, Mrs. Pearl Walker near Filbert S. C., Wednesday

Mr. and Mrs. Charlie P. Ware left Wednesday morning with Mr. E. L. Campbell for Palm Harbor, Fla.

Little Rowena, Grand Champion Baby, of 2405 S. Austin St., Milwaukee, Wisconsin.

WHAT MILK DOES THIS GRAND CHAMPION BABY DRINK?

Golden Guernsey, OF COURSE!

Says Mrs. Helen T. Roberts, mother of Rowena: "Truly, there's a wealth of health in Golden Guernsey Milk! More butter-fat . . . rich in essential food elements . . . an abundance of carotene, the primary source of vitamin A. I've talked to the doctor about it. He told me that Golden Guernsey Milk is different . . . is so good that he prescribes it for convalescents. Its

wonderful creamy flavor quickly wins milk-shy children!" Your children can have the same premium Golden Guernsey Milk that Mrs. Roberts and little Rowena recommend so highly. It will be the same, for Golden Guernsey is never mixed with other milks . . . it's always sold "straight" and full-strength. Give your children the best — start them on Golden Guernsey!
