Mountaineers Scoreless Still Trying

"By George"
Last Friday afternoon the Moun
taineers invade Marion and return
ed to Kings Mountain with their
record still intact — some gains, no
goals, and lots of errors.
The Mountaineers met, in Marlor
the second of their early season
Murderers Row — Gastonia being
first, Marion next, and this Friday
N. C. S. D. This last named is, by
reputation, the toughest of the lot
and should Kings Mountain's lad
hold them as they have held either
of the others — Gastonia piled up
a touchdown and a conversion, and
Marion a trio of touchdowns and
conversion — they can still do some
bragging.
Kings Mountain's stellar back
field continues to show the stuff
that makes them one of the best
backfields in the conference.

It seems that there were quite
few surprised people when Carolin

last week. We won't say that we
were not—because we were. But I
was th big secret that surprised us
and not the defeat. There were a

Sam Suber just dropped into the
office and asked us to express the
appreciation of the Lions to the peo

derful display of patronage at their
stand at the Fair last week. Sam

May Warn of Disordered
Kidney Action
Modern life with its hurry and worry,
irregular habits, improper eating and
drinking—the risk of exposure and infec
tion—brings heavy strain on the work
of the kidneys. They are apt to become
over-taxed and fail to filter excess acid
and other impurities from the life-giving
blood.
You may suffer nagging backache,
headache, dizziness, getting up nights,
leg pains, swelling—feel constantly
tired, nervous, all worn out! Other signs
of kidney or bladder disorder are some
times burning, scanty or too frequent
urination.
Try Doan's Pills. Doan's help the
kidneys to pass off harmful excess body
waste. They have had more than half a
century of public approval. Are recom
mended by grateful users everywhere.

the Shelby folks were as loyal.
