

Bank Branch In Spindale

Rutherfordton, Dec. 18.—The Union Trust Co. of Rutherfordton, Shelby, and other nearby towns opened a branch bank in Spindale today at 9 A. M.

The new bank is located next door to the post office. J. P. Stockton of Rutherfordton, who has been in the banking business here for several years, is in charge, assisted by James Pegram, who has been in the local bank here for sometime.

This makes seven banks for the Union Trust Co. of Shelby, with four in Rutherford county. This bank, in addition to the main bank in Shelby, has branches at Lawndale and Fallston.

Agency Allows Installment Pay

Washington, Dec. 18.—Hard pressed employers will be allowed to pay in installments the back wages necessary to bring them into accord with the wage-hour law Lieut. Col. Philip G. Fleming announced.

After surveying the first year of federal labor standards enforcement the army officer who directs this work also decided to give greater responsibility to regional officers.

Fleming said that installment payment of restitution wages in less than a year may be approved by regional directors. Installments spread over more than a year must be approved by the Washington office.
