**Danger In Home-Made Electric Fence Cited**

A warning to North Carolina farmers to beware of the home-made electric fence has been issued by David S. Weaver, head of the Department of Agricultural Engineering and Extension specialist of State College. He says that all electric fences present an element of danger, but that the home-made device which does not limit the amount of current and which does not include a fool-proof controller to interrupt the flow of electricity, is especially lethal.

"The recent death of a Wilson County child who was electrified by a fence on his father's farm focused attention on the electric fence now being widely used to restrain livestock in the State," Prof. Weaver stated. "I wish to reiterate the position of my department, and that of the entire State College Extension Service, that all electric fences present definite safety problems, but home-made electric fences devices are especially dangerous."

The State College man said that the Wilson County child died as a result of coming in contact with a home-made electric fence, which did not allow for the fence wire to be charged intermittently and which had only a small electric bulb to reduce the amount of current from a 110 volt line.

Electric fences manufactured by reliable companies restrict the amount of current, and interrupt the current at regular intervals in order that a person or animal may be freed from contact with the charged wire, usually without fatal damage.

"I repeat the warning which we have frequently issued that an electric fence is extremely dangerous unless it is properly made, correctly installed, and carefully used," Weaver said.

**CARD OF THANKS**

We wish to thank the many friends and neighbors for the sympathy and kindness shown us during the illness and death of our dear husband and father, May God's richest blessings abide with you all.

AT THE TURN OF THE CENTURY, IT COST A DRIVER ABOUT 50 CENTS A MILE TO OPERATE HIS AUTOMOBILE. TODAY THE AVERAGE COST IS LESS THAN 5 CENTS — A RESULT OF INDUSTRIAL RESEARCH.

A RISING STANDARD OF LIVING AND SECURITY.

LAST YEAR, PAYMENTS BY LIFE INSURANCE COMPANIES TO BENEFICIARIES AND POLICY HOLDERS TOTALLED \$2,600,000,000 — NEARLY THE TOTAL AMOUNT IN FORCE 50 YEARS AGO.

AMERICAN INDUSTRY IS NOW PAYING NEARLY 5 TIMES AS MUCH AS IN 1915 FOR MEDICAL CARE FOR THE AVERAGE WORKER.

TO SHOW THEY ARE OF MANUFACTURABLE AGE, GIRLS IN SYRIA HANG A BELL IN THE WINDOW.

LEATHER COINS — WERE USED IN 17TH CENTURY EUROPE — THEY WERE OBLONG IN SHAPE AND COPPER OR SILVER STUDS WERE HAMMERED INTO THE TOP SURFACE.

**Interested Reforestation**  
A. G. Ray of Parkton, Route one, Cumberland County, has placed an order for 2,000 longleaf pine seedlings to reforest some of his worn-out land.

**Electricity**  
One hundred sixty miles of the

new REA power line in Orange County have been energized, and farm families served by the line are enthusiastic over the service.

Although the recent cold weather did extensive damage to the small grain crop in Hoke County, it helped to reduce the number of overwintering insects, says Farm Agent A. S. Knowles.

**Doctors KEEP BOWELS During Cold Epidemics**

When colds are all around you, don't let weak spots in your defense arise due to constipation. "Keep Regular," many physicians advise.

For constipation and its strength-sapping symptoms; headache, biliousness, sluggishness, dizziness, sour stomach, use a laxative that acts thoroughly but not harshly. An ideal one is Dr. Hitchcock's All-Vegetable Laxative Powder, which acts thoroughly, but usually with gentleness when taken as directed. It contains pleasant-tasting aromatics, carminatives and what is known by medical authorities as a gastro-intestinal tonic-laxative. It helps tone sluggish bowel muscles. Dr. Hitchcock's Laxative Powder costs less than 1c a dose. Get it at any drug counter. 10c, 25c. (adv.)

**I'LL TUNE OUT THE ALKA-SELTZER ANNOUNCEMENT**

Don't—THAT'S THE MOST IMPORTANT THING YOU'LL HEAR TONIGHT

"When statements about Seltzer are made over please, please believe"

Mrs. Oma Catherine

MILLIONS suffer less from Headache, Acid Indigestion, Distress of Colds "Morning After" and Muscular Fatigue because they have heard—and believed—Alka-Seltzer radio announcements. To these millions, the relief obtained by the use of Alka-Seltzer is worth far more than the genuine enjoyment they get from the broadcasts.

The most important parts of our radio program, both to you and to us, are the commercial announcements. Once you have tried Alka-Seltzer we believe you will agree with us.

But try Alka-Seltzer because it is an unusually effective medicine not because you enjoy the radio program.

**WHY ALKA-SELTZER IS SO EFFECTIVE**

The pain-relieving analgesic in Alka-Seltzer is in action, ready to ease the distress as soon as you get relief. The alkalinizing action is made more effective by alkali. The alkalinizing elements in Alka-Seltzer reduce acidity.

Get Alka-Seltzer the pass a drug store.
