

# Mountaineers Win From Marion 12 to 6

(By Mauly Moorhead)  
It looks like the Mountaineers of Marion under the direction of Coach Elmer Farling, are really "going places and so things." Two victories so reads their record thus far in the football season.

The game last Friday was the first to be played on the local gridiron this year, and the number of spectators was estimated at less than five hundred.

**Marion Scores First**  
The game opened with excellent ball, however the opposing team was the first to score. Their lone touchdown was made on a pass from Harris to Good during the first quarter and after the Mountaineers turned on the pressure they never threatened to score again.

Kings Mountain scored her first touchdown in the second quarter when Gibson on a fake line buck, went around end for 11 yards. Their winning score was made the third quarter on a pass from Gibson to Womack good for 25 yards. In the same period Allen ran a punt back 35 yards for a score, but it was nullified when Howell was off-

## Outstanding Players.

Harris, number seven was the outstanding player in Marion's back line and Good, number eleven, was the bright spot in the line for the line for the visitors. The entire Mountaineer team played well, but possibly outstanding were Howell, Dickey and Gibson. The highlights of the game were: Dickey's continually breaking through Marion's line to throw their backfield for a loss side.

Ware, topped off by a high spiralling boot for 50 yards. Gibson's good passing and Womack's receiving. Allen running like a "streak of greased lightning" and Howell's good defensive work.

The game came to a sudden end when the Marion Coach, Art Ditt, rushed out on the field and ordered his boys to stop the game with about seven minutes left to play in the final quarter. It is understood that Ditt did not like the way, Harris, his star player, was being tackled. However, after the game, the visiting Coach apologized to the Kings Mountain team for his action.

**LITTLE COMMENTS**  
Among the spectators at last week's game was Crowell Little former coach of the Mountaineers, but now coach of freshman football at Davidson College. When asked for his opinion concerning Kings Mountain's current team, he said: "Looks mighty good to me, and they surely deserve a larger crowd than is here today to see them in action."

**Band Drills**  
During the half the Kings Mountain School Band thrilled the fans with intricate maneuvers. The outstanding features were the M and K M letter formations.

The next game on schedule is to be played Friday afternoon at 3:30 when Kings Mountain encounters Bessemer City on the local field. The admission will be 35c. Remember Crowell Little's words and let's give the team the crowd they deserve.

## War Relief Garments Being Made Here

As a part of the War Relief work National Headquarters of the American Red Cross is aiding the local Chapter in securing material for garments and yarn for sweaters. The garments are being made by volunteer workers and the local NYA group. Miss Clara Dale has been appointed Chairman of Production of Garments for War Relief. Anyone who will aid in making garments or knitting sweaters please get in touch with Miss Dale and receive the necessary supplies.

Dunn, Oct. 8.—Ralph Weaver, 25, Harnett county farmer, was burned to death yesterday when bedclothing at his home ignited.

**SAFETY-MAN**  
George Allen, Jr., son of George Allen, who is rounding out his last year of high school football with the Mountaineers. George is an exceptional broken field runner and also a hard line charger. This "little streak of greased lightning" demonstrated his ability to strike for a touchdown in last Friday's game with Marion, but the play was called back because of an offside penalty. George is also a star basket ball player, and a very popular boy in school.
