Farm Boys Offered Six College Scholarships

Six scholarship to N. C. State College, one a four-year scholarship and the others one-year scholarships, are offered to 4-H Club boys of North Carolina, L. R. Harrill, State 4-H Club leader, announces. The closing date for entries in the contests which carry the scholarship awards is December 1.

The one-year scholarships are for the outstanding project work in the following fields: Corn, cotton horticulture, tobacco, and dairying. In addition to these scholarships, Harrill says a handsome 4-H Club banner will be presented to the best 4-H Club in each county. Also a free scholarship to the State 4-H Short Course to be held at N. C. State College next summer will be awarded to the outstanding club boy in each county. The 4-H Club selected as the best in the State for 1940 will receive \$100 in cash to be used for club or community improvements.

Of the 17 Cabarrus County poultry men beginning demonstration flock records last October, 16 completed their records, reports W. H. Williams, assistant farm agent of the State College Extension Service.

Blind Boy Opens Stand

Roy Barber, blind young man of Kings Mountain, has opened a stand opposite from King's Garage. Mr. Barber carries cigarettes, cold drinks, candies, chewing gum, and fruits, etc. The young man's stand is sponsored by the Kings Mountain Lions Club, whose main object is aid to the blind.

Mr. Barber is a deserving young man who is trying to make his own way, and he is entitled to the patronage of local citizens.

The young merchant, who is 21 years old, has been totally blind since he was 17. When he was nine

years of age he had measles and whooping cough at the same time and since then his eyes have been bad. He still remembers how things look, and he is not depressed one bit, but is very optimistic, and is ready and willing to support himself. So stop by his place of business and make a purchase that will keep in this frame of mind.
