

MOUNTAINEERS LOSE TO NEWTON HIGH

(By Manly Moorhead)
It looks as if Dan. Fortune has turned her back on the football squad of K. M. High, and what started out to be a victorious season for them is ending differently. The loss to Newton last Friday was the third defeat the Mountaineers have suffered in succession. The game was played on the local field before a small number of enthusiastic fans.

K. M. Leads First Half.
The game began with the visitors kicking off to the locals, and the K. M. boys did some of their best playing in the first minutes of the game. They scored early in the first period, Gibson making the touchdown. The try for the extra point was good.
The playing of the Newton team was characterized by its beautiful

forward passing. They chalked up a touchdown in the second quarter. The try for the extra point failed, so the half ended with a score of 7 to 6 favoring the Mountaineers. Band Thrills Spectators
The local band put on one of its best exhibitions during the time out between halves — featuring letter formations and other intricate maneuvers. Mr. Mark Bittle, the director of the Winthrop College Band, was among those who witnessed the demonstration. Mr. Bittle was very generous in his words of praise and commendation concerning the performance of the band. He said, "My home is out West and out there they have some excellent bands, but never have I seen anything that excels this." These words from Mr. Bittle are very com-

since he has had the opportunity to observe bands from almost all the entire nation.
Because of the closeness of the score of the two teams, the second half opened with interest running high. During the third period both teams added to their credit one touchdown — Gibson carrying the ball over for K. M. and also scoring the extra point. Then, Newton, in the final period scored again. The Mountaineers played furiously even after they knew the game had been lost, and had there been a few minutes more to play, the results might have been told in entirely different words.
Lincolnton Game
The Mountaineers will play their last game this season tonight against Lincolnton High School in Lincolnton.

MEMORY CAN'T SERVE YOU ...
as well as your DIRECTORY
Look Up the Number Before You Call

Memory is a tricky thing. If it doesn't fail altogether, it sometimes gets things twisted. This is especially true in the case of figures, and explains why calling telephone numbers from memory often results in getting wrong numbers. This is annoying to both you and those you call by mistake. So be sure of the number before you make a call. Look it up in your telephone directory. It will save your time. You will avoid disturbing others unduly, and you will spare yourself the embarrassment of getting wrong numbers.
