Lions Outclass Charlotte Swanks

Last Thursday night the high riding Lions roared over the Swanks one of Mecklenburg county's best teams, by the score of 53 to 22. The highly touted visitors, handicapped by the absence of two of their play-

ers who were ill with the flu, were no match for the locals and at no time was the ultimate outcome in doubt.

The entire Lions team was having a field day; everyone seemed to be able to hit the basket at any time with Brenemmer and Jenkins leading the way with a combined total of 33 points.

The Lions team this year, from all indications is the best one to represent the club since semi-pro basketball was started in our town. Those of you who are lovers of basket ball will marvel at the way this smooth working combination racks up the points without any apparent effort. It seems that when points are needed someone just shoots toward the basket and the ball as if drawn by a magnet, swishes through the net.

Tonight at 8 p. m. in the High School Gym the Lions Club basketball team tackles the Indians from Indian Normal College of Pembroke, N. C.

There is a lot of interest in this game, with speculation as to whether the Lions will be able to continue the terrific scoring pace that they have been setting in their previous games. The addition of "Red" Smart

to their line-up is an asset in their favor, but the fast, close guarding Indians will be out to try to hand them their first defeat.

The Indian Normal College Team is composed of 100 percent pure Indians including their manager, Coach and all connected with the team. They have in all their games this year given an excellent account of themselves and are quite likely to go home with the scalp of the favored Lions.

ADDED ATTRACTION

As an added attraction to the big game the East Side Boys under the direction of Lion Charles Thomasson will meet West End Kids under the leadership of Lion W. J. Fulkerson. The two teams made up of boys between 15 and 17 years old, who are not members of the High School team, will give the audience plenty of thrills with their fancy footwork and goal shooting.

The game will begin at 7:15 and no extra charge will be made for the extra game.

Another treat is in store for basket ball fans Saturday night when the Lions will meet the All Stars from Valley Forge, Pa. This team, well known to local fans, is a member of the team and is expected to see action in the Saturday night game, which will begin promptly at 8 p. m.

NEGRO NEWS

(By Jessie G. Costner)

The Davidson School reopened on Thursday of last week, after being closed on account of the influenza epidemic. The attendance now is practically normal. The first semester examinations started on Tuesday of this week and will continue thru Friday.

The P. T. A. of the Davidson School will meet Tuesday of next week in the school library at 7:30 o'clock. The Principal invites the parents to be present.

Boy Scout Troop No. 10 of Kings Mountain, after a long period of little activity, has taken again to put the scouting program before the Negro boys of the town. The troop committee and the scoutmaster, Mr. J. W. Lynch, have already (with one exception) paid their registration fee, and as soon as a sufficient number of boys pay their registration fee, the troop charter will be renewed. The Athletic Association of Davidson High School met and organized sometime ago with the following officers: Nina Wilson, president; Luico Wilson, vice president; Edna Roberts, secretary; J. W. Lynch, faculty-treasurer and Gayzetta Jackson student treasurer. Since its organization the group has by means of selling candy, soliciting, and sponsoring social gatherings, raised about two thirds of the cost of uniforms for the basketball teams which the group sponsors. Mr. C. E. Fowlkes is Coach.

The basketball teams have many prospects for a successful season this term. Much action may be expected from the following "track players": (Boys), Jausten "Big-boy" Reiney and Theodore Byers, forwards; Luico Wilson, center; Frank "Smooth" Mitchem and William Orr guards; supported by Earn Hickmond, enjamin "Buddy" Brown, Richard Taylor and James Jackson. (Girls): Nina Wilson, Lorine "Twin" Adams and Gayzetta Jackson, forwards; Margie Lindsay, Alleen "Twin" Adams and Ollie "Chillum" Thompson, guards; with the aid of Pearle Mitchem, Evelyn Brown, Alene Corry, Daisy Roberts, Dorothy Eyers and Edna Roberts.

The opening game of the season will be against McKnight High School of Clover, S. C. on Friday afternoon of this week. This game will be on the school grounds. There will be others later depending on the weather conditions.
