**Doctors Say KEEP BOWELS OPEN During Cold Epidemics**

When colds are all around you, don't let weak spots in your defense arise due to constipation. "Keep Regular," many physicians advise. For constipation and its strength-sapping symptoms; headache, biliousness, sluggishness, dizziness, sour stomach, use a laxative that acts thoroughly but not harshly. An ideal one is Dr. Hitchcock's All-Vegetable Laxative Powder, which acts thoroughly, but usually with gentleness when taken as directed. It contains pleasant-tasting aromatics, carminatives and what is known by medical authorities as a gastro-intestinal tonic-laxative. It helps tone sluggish bowel muscles. Dr. Hitchcock's Laxative Powder is available at any drug counter. 10c, 25c. (adv.)
