

WE THREE "C" ALL
 "We Three" are in a huddle, trying to find out who knows most. It seems as if none of us know anything. Is it because we do not get around or have you been hiding? That's a pretty locket, Fay. The Wake Forest lads gave their lassies quite a rush. That explains the reason for Eoline Betty Lee, Gogie, and Hazel looking so sleepy. What about it Puff, Ladd, Hal, and Stogie? The Mc

Clain sisters and Bridges brothers stepped out to the open air Theatre Saturday night! Was the picture good? Or were they too busy looking at one another. The measles seem to be going over the school. Lots of fun, aren't they Bill? Are you going to the Stag Dance? We know several crowds who are. Whata surprise John Fulton dated Edna Ruth Sunday night. We bet some girl wishes Gene Mathis would drop their way. He's cute. Vip and Manly sure are sticking it out this time. Who's Billy Gene's newest flame? For every woman who makes a fool out of a man there's another woman who makes a man out of a fool. His life is an open book and he likes to read out of it.

HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts. The stomach should digest two pounds of food easily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or overworked, your stomach often pours out too much acid. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sooty, sick and upset all over. Doctors say never take a laxative for stomach pain. It is dangerous and foolish. It takes those little black tablets called *Heal-ene* for indigestion to make the excess stomach acids harmless, relieve distress in no time and put you back on your feet. *Heal-ene* is so quick it is amazing and one the package proves it. Ask for *Heal-ene* for indigestion.
