

Local Draft Board Members Make Change

Members of the Local Draft Board at a meeting on October 22, 1942, adopted a policy that each member should take his turn as Chairman. F. S. Summers has served as Chairman for the Board since it was organized on Oct. 16, 1940. Harry S. Blanton was elected Chairman to replace Mr. Summers. Arthur Hay as Secretary to replace Mr. Blackmer and F. S. Summers was elected Assistant Secretary.

The following letter has been received by Cleveland County Local Board No. 2, Kings Mountain, N. C. from State Headquarters of Selective Service, Raleigh, N. C.

"The report of our coordinator who last visited your board has been received and I am writing to congratulate you and your office per-

sonnel on the excellent condition of your records. The report indicates that the records are in excellent shape, that the board is giving due consideration to the various circular letters, bulletins and memoranda issued from State Headquarters, and that from the standpoint of administration the board is in splendid condition. It also indicates that you have no particular classification problems, and that the government appeal about works in cooperation with the board.

"We are often quick to criticize local boards for errors and mistakes, and are equally interested in commending boards whose consideration is deserved. Your loyal, conscientious and efficient work is greatly appreciated by State Headquarters, and we want you to know that we stand ready to be of all possible assistance to you.

"For the State Director of Selective Service

Yours very truly,
Charles R. Jones,
Captain, Cavalry, 103D,

SUPER SNOOPERS

Well, we're back in a flash with a crash. What freshman then Betty Hayes? We think his first name is Jack. Joanne Griffin doesn't want to set the world on fire. She just wants to start a flame in his heart. What heart? Could it be a freshman at Davidson who plays a sax in the band? "Peeber" gave Doris W. the sack this week-end. Could they be kindling the oil flame up again? Ernest, don't set around and let an old rival sent you out. Doris is a cute girl. Gogie dated a cute boy Saturday night. Wonder what Gogie had to say? He wasn't handsome, was he Julie? Was Raymond... over Miles being home this week-end? We wonder! She was all smiles Saturday. Donnie... was a latherless beauty? Hope you enjoyed your visit as much as we think you did.

Peggy Baker dated Henry Shore for the Davidson-F. J. game. Cute fellow eh? Peggy, Melba and Rita prefer Gastonia boys and a black convertible on Sunday afternoons. Fannie Littlejohn has them all out-clashed. She stags out with a school teacher from Beth-Ware. Who could help from knowing Betty Patrick and Sp. Henderson spent the week-end at home. We bet Meek and "Fig" didn't get a word in edgewise Saturday night.

The gang on the winter road had a wacky time Friday after-Ask Carolyn and Archie. "Roundhead" George has a crush on Margaret Cashion. How about it Boudry? Patsy W. was home for the week-end and she seemed to have her time well occupied. Having three dates on Sunday night.

Lawrence Patrick was the ideal candidate for the Noodle Twins Saturday night. Miss Jackie and Joan "Vip" went to Raleigh for the State Wreck Fest game and a dance afterwards. Which was the lucky guy? Frank or Moppy?

Were looking forward to the Masquerade Dance at the Club House. Seems quite a few couples are mixed up. It is rumored that Jack Patterson's interest is centered on North Postmont Avenue. Could the "lucky girl" be Joanne Hayes? We hope that "Happy" does not move to New York. Clarence A would be handsome since Juniper is getting close to heaven. Christine and John enjoy skating on the pond Thursday nights. Edith Ruth, where do you keep yourself? Marjorie Walker's heart belongs to this same city. Did you get your brace broken?

A grandstand would be the best place to sit and watch the football game. It is all sound off so until next week.

W.C. and Snoopers. And Snoopers are...
What do you...
Newspaper... up to you.
