Culp Ford was a guest of Walter Ware Sunday night. Jo Ann Ford has been ill for the

past few days. We wish for her

ery speedy recovery.

Well, here we are again, folks. with more gassip. Its tough on certain boys in town, when they can't all get a date, but still Pig. Salty. nd Ed. enjoyed the company of Edna Ruth and Sara Statues Sunday night.

Who is the boy that is fast crazy about Petty Moore? It couldn't be Purman Wilson could it? Janette Mabry appears to have

aken a sudden interest in George Lattimore! Watch out! Martha. We're corr Madge Boyd left us.

We lost a swell girl. We bet Charlie thinks so too We were glad to see all kids home over the holidays. Billy

Ruddock had a cute boy home with him; Patsy thought so too! Frankie and Douglas were

around town quite a bit. Pinkie and Nancy John are quite

swome these days. Dou't ou think Virginia Allen and Curly look cute together? By the way, we hear Archie and Curly went to bulishur: Sunda ... Could it have been to see the boys at Casawba or was it the girls? How about it boys?

Wha's this we hear about Otis Palls and Doris M. They seem to take a fancy to each other. Betty Fulls can be seen any day at lunch riding around with Clinton Jolly or Eugene Allen.

Margaret Dunnagan and Harold Earp were seen together Monday ight, and-oh! yes - Christine was there, we lan't tell you the other fourth, but Christine will. how long has this been going ou?

Charles A. and Vivish. George and Meek were amoung the crowd we noticed at the show Wednesday night. Then, you know Vip and Billy Gene are together, lately, too.

Martha Walker prefers Dallas -Didn't we see you Saturday night? Jean Willis and Paul were along

Fay and Knub were together Sun nd Monday night. Could they rekindling the old flame?

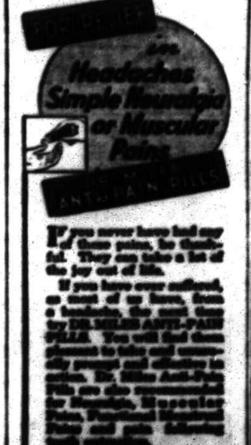

Orchids to Lib and Jack and may you always have the best of luck. Maybe, we were wrong about 604. all the time. Marion Arthur seems to be his pick. Try a car next time

Corr H. has his eyes set on Louee Wright. They say its vice versa.

Betty Watterson and Floyd Q are quite the constant couple - add Jackie and Henry, Bill and Elouise on that flet too.

Well, we'll be encoping, so until next week some paper, same name, same name

The agroumist said that a mix-ture of varieties of sugheans will do as much to reduce the yield as any one factor. Differences in the time of maturity make harvesting different, and subsequent storage of seed eazardous. For instance, Rigney pointed out that Herman variety beans mature in 135 days, Tokso
