Mr. Angel is making his announcement had the following to say:
 "The twelve years I have lived in Cleveland County have been happy ones. The people are the finest in the world and any man should not want any better place to live. I have built my home here and expect to live here the remainder of my life. The progressive spirit that prevails among all of the people of Cleveland county is not to be surpassed anywhere. The fine schools, competent teachers, good roads and excellent churches bespeak that fine spirit of progressiveness and unity. The farmer and the laborer, the manufacturer and merchant all work in harmonious accord for the uplift of a finer citizenship. The law enforcement agencies of our town and county are constantly on the job to prevent crime and I find they are doing an excellent job of it."
 "In my professional and business experience I have come to know some of the many problems that confront us and if elected to the office that I now seek I shall do my best to see that justice is administered in all cases."
 "I offer myself as a candidate for the office of solicitor of the Records Court, subject to the Democratic Primary May 30th."
