

WANTED \$2,500 FOR U.S.O. DRIVE BEGINS MONDAY

Your Commander- In-Chief Says

Not by machines alone will we win this war. Unitedly, unstintingly, and without interruption or delay, we have solemnly promised to give our men a mounting tide of guns, tanks, planes and ships.

We shall keep that promise, and one promise more—that we shall preserve for them wherever they may be, and without regard to race, creed or color, the moral and spiritual values of the democratic ideals and freedom for which they now are fighting.

Because the USO is unitedly dedicated to that high purpose, and because that high purpose is a vital part of the job of winning this war the USO should be supported by everybody—cheerfully, generously, and now
