How To Improve Kings Mountain

Praise it.
Talk about it.
Trade at home.
Write about it
Take a pride in it.
Remember it is your home.
Tell others of its business
resources. **WE**
Try to induce others to trade here.
When strangers come to town use
them well.
Look ahead of self when all the town
is considered.
Don't call your best citizens frauds
and impostors.

Support the local institutions that ben-
efit the town.
Help your public officers do the most
good for the most people.
Don't forget that you live off the peo-
ple here, and should help others as
they help you.
Respect every good citizen in your
town, and if there are any others,
try and make them good.
But above all
TRADE AT HOME.

Your Warmest And
Coldest Friends
