NEGRO NEWS

By Mrs. Jessie G. Coulter

Aspirin W. Wise, of West Ridge street, who had been ill for some time, died Tuesday of last week. The funeral was held at Ebenezer church Wednesday, October 1, with the Rev. R. J. Davidson officiating. The flower girls were Mesdames Etta Perry, Cora McGill, Sanders, Ferris Bryant, Lovenia Moon and Miss Annie Mac Pressley. The pallbearers were Jim Jackson, Revs. McClure, D. R. Alexander, McCaskill, Mr. Whitney and Mr. Clink.

He had been a member of Ebenezer Baptist Church for several years. He was known as a working man.

He is survived by his wife, Mrs. Ida Wise, three step-daughters and six stepsons.

Mrs. Wise wishes to thank the friends for their kindness during his illness and death of her husband.

According to information received from the Agricultural Experiment Station School, the farmers in the district purchased four pure-bred spotted Poland-China pigs to be used for breeding purposes in the community. The club has decided to begin a farm machinery repair course to which any out of season person 17 years old or above will be admitted to attend. The class will begin November 16. The purpose of the course is to enable farmers to repair their farming equipment for next year, and also to enable them to improve their methods of repairing tools. The farmers decided to cancel the community dance which they had planned. Rev. Thomas Grier is president, and M. M. L. Campbell is the advisor.

Private Paul Jackson who is in training in Florida spent three days in Kings Mountain last week visiting his parents, Mr. and Mrs. John H. Jackson.

Mrs. Ida Wise spent the week end with her sister, Mrs. Corrie Chambers in Charlotte.

The Ebenezer Baptist Church held

a church reunion last Sunday afternoon. The Rev. Dwight A. Costner preached the reunion sermon.

The Rev. C. F. Gingles of Dallas is the pastor.

Mrs. Julia Wray Wilson and two of her daughters are visiting in the Ebenezer community.

Mrs. F. W. Wellman and L. H. Carpenter of Rutherfordton were visitors in Kings Mountain last Sunday.

Miss Mittie Glenn and Mrs. J. C. Mitchell of Belmont were visitors at the Baptist Church of Kings Mountain Sunday night.

What You Buy With WAR BONDS

A pliers, used by the Navy, is a device which fits over the surface of a compass to enable the operator to take bearings on distant objects. It has split hair sights, has been in use for many years . . . and costs approximately \$125.

These instruments are essential equipment to every American ship which comes out of the shipyard. With the scores of ships now being completed each month, we need many of these instruments. Your purchase of War Bonds and Stamps will help pay for them. Invest at least ten percent of your income every payday in these interest bearing Government securities.
