

**MENZELL PRIFER PROMOTED**

Cpl. Menzell N. Prifer, son of Mr. and Mrs. Campbell Prifer, has recently been promoted from corporal to the grade of sergeant, according to an announcement by the authorizing office of the Army Air Forces Proving Ground Command at Eglin Field, Florida.

Cpl. Prifer has been in the Army since January 20, 1943. The tremendous increase in Army personnel has created a great opportunity for men who can prove themselves capable of holding the ranks of non-commissioned officers.

In more than two years of Spanish rule (1940-1939) Bolivians produced gold valued at two billion dollars.

This poignant picture made by an Army Signal Corps photographer shows a weeping Roman mother and her child gently and reverently placing flowers over the still forms of two American boys who paid the supreme price to liberate them from the Nazi and Fascist grip. Look at their faces and you will see that both mother and child realize that these Americans died for them. Remember this picture when you are asked to buy an extra War Bond during the Fifth War Loan.

**SOME FOODS AGAIN RATIONED**

The OPA has restored rationing to best cuts of lamb in order to get better distribution among consumers, and it has restored point values to certain types of cheese and canned evaporated, peas and tomatoes, which were unrationed for two weeks because of large stocks on hand. OPA NAMES NEW CEILING PRICES

Ceiling prices have been established by the OPA on watermelons, alfalfa hay, sweet peppers and hot-house cucumbers, some of which had been under nationwide retail price control. Retail watermelon prices should decline substantially from last summer's figures. Alfalfa producers' per ton ceiling prices range from \$19 to \$28.50. Ceilings on sweet peppers and hot-house cucumber represent reductions at retail. OPA also has set maximum prices for the 1944 crop of red and black raspberries, dewberries and blackberries.

The extra egg-buying of American housewives has made it possible to save the 25 million dozens of eggs that were in danger of spoiling a few weeks ago for lack of storage space, War Food Administrator Marvin Jones said.
