To the People of this Community

The best way to observe the defeat of Hitler is to buy an extra War Bond. In thousands upon thousands of American homes today there is pride and a sadness. From these homes have come fighting men who died to bring us this far on the road to decisive victory over all our enemies. It will take more effort, more toil, more and greater individual War Bond buying before we see Japan in the ruins; these barbarians of the Pacific planned for us. How much more blood and tears depends on every individual American war worker and Bond buyer.

The Sixth War Loan symbol—a bomb bursting down on the Rising Sun—can only come to reality with your individual help. Buy at least an extra \$500 War Bond above your normal payroll savings. That's the least you can do to back up your fighting men.

GENTLE

The World is gentler to the ones whose gentleness glows 'neath the warmth of winter suns. And strives to bless. For goodness in us heeds behold in other souls the glint of gold that cannot bartered be, or sold—Rare pricelessness!

SEVEN RULES FOR PATRIOTIC AMERICANS TO REMEMBER

- Buy only what you absolutely need. Make the article you have last longer by proper care. Avoid waste.
 - Pay no more than ceiling prices. Buy rationed goods only by exchanging stamps. (Rationing and ceiling prices are for your protection.)
 - Pay willingly your taxes that your country needs. They are the cheapest way of paying for the war.
 - Pay off your debts—avoid making new ones.
 - Don't ask for more money for the goods you sell or for the work you do. Higher prices come out of everybody's pocket—including yours.
 - Establish and maintain a savings account; maintain adequate life insurance.
 - Buy all the War Bonds you can—and hold 'em.
- Littleton Independent.
