Classified Ads

CLASSIFIED AD RATES

There are 25 cents for one insertion, 25 cents for the second, 20 cents for the third, 15 cents for the fourth, and 10 cents for all insertions thereafter. This means that a classified ad of one line, three times for 75 cents, is slightly better than the rate for one insertion in advance. For this rate ads are limited to 25 words.

All classified advertising must be in the Herald office by 2 p. m. Wednesdays to insure publication in the following Thursday edition. Cards of thanks carry the same rate and deadline.

AMERICAN HEROES

GEORGE A. VICKERS, master of the SS Nathanial Green, has a Merchant Marine Distinguished Service Medal for heroic maneuvering of that ship during eleven months when it delivered munitions overseas. Surviving 10 torpedo planes and bomber attacks, two submarines and four torpedo onslaughts, it was finally crippled on a trip to Algerian ports, but the master successfully beached it. Laden with cargo that War Bonds helped to buy for our fighting men, it was struck by two torpedoes, yet Vickers got it ashore. U. S. Treasury Department

Bonds Over America

ST. LOUIS CATHEDRAL.
When fire swept the city of New Orleans in 1788, Don Andres Almonester, a truly great philanthropist, saw to it that some of the city's finest buildings came from the ashes of their historic predecessor - the Cahills, the Presbytere and the St. Louis Cathedral. Liberty creates and encourages such men. It's the spirit that inspires Americans to buy War Bonds to equip their service men who fight all enemies of individual freedom. America will always have Almonesters to give their fellowmen a lift in dark hours if enough War Bonds are purchased and held to keep those serving men in munitions. U. S. Treasury Department

Two Get Results Before Ads Printed

Should classified ads bring results - sometimes even before they are printed.
It happened with last week. In one instance, Chief of Police A. E. Adair found a pair of shoes and wanted a "found" ad. On Wednesday a lady came in to insert a "lost" ad. Her car, a center buy for the Shelby Star, had left her near Father's Shoe Service. She was out to Chief Adair and claimed the shoes.
A second woman came in to insert an ad for lost silver teeth. A short time later she found the teeth.
TVA's new Fontana dam in western North Carolina is the highest dam in eastern America, fourth highest in the world.
