

NEW DINING HALL AT PIEDMONT SCOUT CAMP—Shown above are views of the new dining hall at Piedmont Boy Scout Camp at Tryon, N. C., which replace the one destroyed by fire early this summer. At top is a view of the dining lodge and kitchen. At bottom right is shown the spacious kitchen which is equipped with ultra-modern cooking equipment, using steam and gas, and at bottom left is a view of the dish-washing and sterilizing section and boiler room.

Behind Your Bonds
Lies the Might of America

TURPENTINE SERVES
Turpentine, taken from Florida trees for decades, contributes to the war effort both as a necessary chemical and as an asset to insure payment of War Bonds. Still it is only one of Florida's varied products that feed and equip service men while adding to financial resources behind your bonds. China, glassware, insulation, cotton goods and vegetables, valued at over 300 million dollars annually are purchased by world markets. After the war the demands will increase.

AMERICAN HEROES
by WOODY COWAN

BOATSWAIN ALBERTO GALZA, Baltimore, Md., well deserves his Merchant Marine Distinguished Service Medal. When the SS Delisle was first torpedoed, he rescued the wounded third mate. In the second torpedoing, the Master of the ship was pinned down by a cargo boom. Galza cut him free and lowered him to a raft just before the ship sank. War Bonds bought and held will provide ships and gear for the Merchant Marine.
