Nebo News

Miss Virginia Myers of Charlotte visited her parents over the week-end. We were shocked to learn of the tragic death of Charlie Carpenter. A man that never gave anyone trouble, the family has our sympathy.

Well, the President affirms he's not coming. Alright the airports built anyway. Glee Bridges did his part. Rev. Sam P. Jones once said when he was preaching, for his life he couldn't see why folks went to hell when the road to heaven was strewn with flowers. One old slavery darkey jumped up and said, "Glory to God, I see gathering them flowers."

The Republicans have been on third base so long they are like the old preacher's horse. They are set. Democrats standing on the 1st base so long when they knock a ball the Republicans can't catch it. Why don't they move up to the first base and knock a foul?

I am not a vegetarian but I do like a pot of soup once and awhile. You can't hardly get a soup bone. Well, I guess when the boys get home they'll raise some hogs.

I sent to the store and got two or three ounces of fat back for 35c. I can't decide whether to put it in the pan or save it until company comes. I wish to prove an argument that I had with a man that is supposed to know more than I do if he knows anything. He declares that each state has the same electoral votes except Texas. (Well, that's not so.)

To ask that the good be spared suffering is to ask that the good shall cease to be. Useful poverty and pain come to good and bad alike. Life is a gamble at the best.

A woman came to me all flabbergasted and asked me if I would get her husband out of jail. I told her I did not get him in jail and I haven't got the keys. The same day another lady asked me if I would put her picture in the Herald. She wanted send the paper overseas to her husband. He would be delighted to see her picture. I told her I wasn't a photographer, for her to see the editor. He would be glad to fix it up for \$1.50.

Pressley, Gladden Are En Route Home

With The 70th Infantry Division Germany. — Cpl. William Odell Pressley and Sgt. Charles F. Gladden are enroute home with the 70th "Trailblazer" Division from the European Theater of Operation.

Cpl. Pressley, whose wife resides on Route 1, Grover, N. C., holds four Bronze Battle Stars and the 7th Army Citation, and Sgt. Gladden whose wife resides at 209 N. Piedmont ave., Kings Mountain, N. C., holds the Conduct, ETO ribbons, with five Campaign Stars for combat in Normandy, Northern France, Rhineland and Central Europe.

The 70th Division is filled with high point officers and men, most of whom will be discharged from the army on their return to the United States. The division is scheduled to be deactivated, after having served nine months in the ETO.

The Trailblazers arrived in the ETO in December, 1944, initially taking part in the bitter winter campaign with the 7th Army in northern Alsace. It later was shifted to the Saar Sector and captured the important industrial city of Saarbrücken, providing a gateway into the Rhineland. The division took part in the Rhineland and Central European campaigns.

The bulk of the division's high point personnel fought with the veteran Third Infantry Division and wear the Croix de Guerre fourragere and Presidential Unit won by the division. Others come from the 78th Division, plus a number of smaller units.

Egt. Gladden spent 18 months overseas, with the 158th Engr. Combat Battalion. Cpl. Pressley spent 31 months overseas, with the 60th Ammo. Co.

ON HEAVY CRUISER On The USS Chicago in Sagami Wan, Japan. — Two Kings Mountain, N. C., Navy men, Euren R. Putman, seaman, first class USNB, son Mr. and Mrs. William W. Putman, Route 1, and Lee F. Improved varieties, liberal applications of fertilizer, improved cropping practices, and the concentration of crops on the most adaptable land have brought record crops throughout the United States.

CONSTIPATION Is the cause of MUCH SUFFERING

Constipation may cause no symptoms for a long time, but unless corrected will finally impair the health. Symptoms associated with advancing constipation are loss of appetite, heavily coated tongue, tired feeling and mental depression. Headache, dizziness, anemia, and skin disturbances such as acne are commonly experienced. In severe cases, neuralgia and joint pains occur. Indigestion, with gas formation and colic, and piles and fissures frequently add to the discomforts of severe chronic cases.

No matter how many other medicines you may have tried, the only preparation that brings you relief is B-I PREPARATION. With the understanding that B-I PREPARATION must bring you satisfactory results or your money back. Caution: Use only as directed.
