

And Collect Reward

Kids will see the mark with the proper incentive, Chief of Police W. C. Timmons reports.

Two children who have been plying the streets were reported to police headquarters for entering a man's home and raiding a freshly baked cake.

Chief Timmons rounded up the children and gave them a good talking to. Meantime, school authorities and a church Sunday school class became interested. The result was that the children, whose mother is dead and whose father works in another city, were bought clothes and entered school. Chief Timmons then promised the children 50 cents each if they attended school one week. Meantime, temporary arrangements for the care of the children were made.

Four Charged In Stroup Death

Three brothers, Ray, Edwin and Paul Hoyle, of Lincoln county, and Everett Kennedy, proprietor of Shady Rest service station on the Kings Mountain - Cherryville road, were bound over to the next term of Cleveland Superior court, under bond of \$500 each, following hearing in county recorder's court Tuesday Oct. 23 on charges of assault with a deadly weapon resulting in the death of Mrs. Connie Reynolds Stroup, 27, which occurred in the vicinity of the service station early Sunday morning. Conflicting stories of the death of Mrs. Stroup are told by Burrell Blanton, said to be an eye-witness of the fatality, and the Hoyle brothers, who did not take the stand at the preliminary hearing.

The death of Mrs. Stroup was said to have resulted from an altercation over a stove and some window curtains which had been left by one of the Hoyles at the Kennedy home. One of the Hoyles formerly resided with the Kennedys, Patrolman Hal D. Ward, said.

Blanton said that he heard a scuffle over in the backyard at the Kennedy home and that he went over there to be met in the front yard by Paul Hoyle who had a rifle in his hands and ordered him not to go around in the back. Blanton said that he persuaded Paul to go with him around in the back to see if they could stop a fight on account of the delicate condition of Mrs. Everett Kennedy. He said that when he and Paul got around to the back the two other Hoyle boys, Mrs. Stroup and Mrs. Hoyle had both Mr. and Mrs. Kennedy on the ground. Mr. Kennedy had a pistol. Hoyle succeeded in getting the pistol away from Kennedy. Blanton testified.

Then, according to Blanton, the three Hoyle brothers, Mrs. Stroup and Mrs. Paul Hoyle got into their automobile. Paul Hoyle placed the rifle in the back seat where Mrs. Stroup was sitting between Ray and Edwin Hoyle. Blanton says that he stepped up on the running board and the car pulled down the road about 100 yards where it was stopped suddenly. Blanton says that as the car stopped the rifle in the back seat fired and that Mrs. Stroup leaned back and groaned. He says that he stepped off the running board after being handed Kennedy's pistol by Paul Hoyle and the car drove on off with the dead woman.

On the other hand, Patrolman H. D. Ward testified that the Hoyle brothers denied having a rifle at all but told him that Mrs. Stroup fell after a shot had been fired in the yard at the Kennedy home. They told Ward, according to him, that they thought she had fainted and put her into the car and drove on off.

There were two empty cartridges in the pistol which Hoyle said he took away from Kennedy, and Blanton testified that he heard one shot before he got around to the back yard.
