

I pledge allegiance to the flag of the United States of America

(And I'll back up that pledge with Victory Bonds — plenty of them!)

And to the Republic for which it stands

(My country — the land that yields my crops, that gives a living to me and mine. I'll put my dollars to work for her.)

One nation indivisible

(I'll keep it one nation — prosperous and happy.)

With liberty and justice for all

(And a good living for all — the living that my backlog of Bonds will make secure in the years to come . . . for me, for my community, for the boys who will be coming back from fighting in their country's service.)
