One Nice White HANDKERCHIEF TO THE First 150 Men VISITING Woodward's Today

FOR MEN ON THE WAY UP
Diamonds
Rings of Romance
 Diamonds are morale-builders. Ask any woman the difference one feels with and without diamonds. It is the same with men, except men will not admit so readily as women. Remember the old truism—"Fine feathers make fine birds." It's the same today—just more earnest!

Self-respect and self-esteem are brothers under the skin. Men who enjoy wearing nice clothes or driving a nice car, enjoy also the personal note of prosperity—not riches, perhaps, but financial stability.

 When men rise, the hard way, to the position of self-respect and self-esteem, they have acquired both self-respect and self-esteem. It is not for the purpose of show-off that men who drive a nice car, wear nice clothes, but the inherent nature of the man to express himself without giving value to the feeling.
 A Great Gift for the Man in Your Life
 The three rings above are typical of our fine jewelry. They are all made of 14K gold and are set with the finest diamonds. They are all available at the same price. They are all available at the same price. They are all available at the same price.
