

**Mountaineers To Play Rutherfordton Today**

Kings Mountain high school's diamond caversers invade Rutherfordton Thursday afternoon in an effort to avenge the 9-0 defeat handed them here last Friday.

Coach Don Parker said Wednesday that an effort is being made to change the date of the Lincoln game scheduled for April 26, due to a conflict with the state music contests. He did not know Wednesday, however, when this game would be played.

**Smith Gets Generous; Cherries Win 16-11**

In a believe it or not finish, Cherryville high school scored five times without even so much as fouling a ball in the eighth inning Tuesday afternoon, went on to score four more times and trounced Kings Mountain's Mountaineers by 16-11 in a wild game.

Playing at Cherryville, the Mountaineers went into the eighth frame with a 11-7 lead, after themselves scoring seven runs in the first half of the eighth. Ralph Smith, after a shaky start, had settled down in the fourth and shutout Cherryville without a hit for the next four frames.

The first five runs of the Cherries came as a result of eight walks and two wild pitches.

Dwight Ware continued his good hitting with three hits in five trips, while Black, with three for six, and McGinnis, with two for five, led Cherryville.

Score by innings:  
 R H E  
 Kings Mountain 010 102 070 11 7 6  
 Cherryville 205 000 09x 16 9 7  
 Batteries: Smith, Falls, Payne and Byitt; Randall, Fortenberg, Quinn and Blackwell.

**Oil Sewing Machine**  
 To oil a sewing machine properly, put the oil on every place where one part rubs against or turns within another.

**SENATOR AGAIN** — State Senator Lee E. Weathers, of Shelby, will continue to serve in that capacity. Mr. Weathers failed to find opposition after the filing deadline had passed last Saturday.

**SOLICITOR CANDIDATE** — Horace Kennedy, Kings Mountain native and now a Shelby attorney, is a candidate for solicitor of the 16th Judicial district, which includes Cleveland, Burke, Catawba, Lincoln, Caldwell and Watauga counties.

**Sugar Supplement**  
 Dried fruits such as prunes and raisins have a natural sweetness that will help extend the sugar content of your meals—and they're good for the family diet.

**Storing Onions**  
 Onions will keep in a fairly dry cellar but not in moist air. They may be kept in darkness or subdued light at a temperature near 33 degrees, or even as high as 50 degrees.

**Electrify Farms**  
 Estimates show that 44.7 per cent of all U. S. farms are now electrified, as compared with less than 11 per cent when the REA program was started in 1935.

**Requisite Nutrients**  
 Health experts say you need milk, an egg, some meat (or substitute), a potato and two colored vegetables, two kinds of fruit, some dark cereal some butter every day.

**Handy Cleaner**  
 A bottle of ammonia and a rag kept near your range will come in handy when food or grease has been spilled on the stove.

**Seek Courage**  
 The Arabs of East Africa anoint themselves with lion's fat in order to gain courage and impress the animals.

**Pasture Soils**  
 Pasture soils are generally poor because they are too acid for the best growth of pasture legumes or the better pasture grasses. Their improvement requires liming.

**ATC Busy**  
 The Air Transport Command dispatched a transatlantic flight every 19 minutes during the last part of 1944.

Proponents of the Fair party bill are seeking its passage by tacking it as an amendment to the minimum wage bill which seems sure of enactment in some form.

The government has offered to buy farm wheat at any price which may prevail between now and April 1, 1947, is a move to supply food to grainless foreign countries.

**PRAYER BAND MEETING**  
 The Mountain View prayer band will meet Saturday night at 7:30 at the home of Will Correll. Miss Ollie Todd will have charge. The public is invited to attend. Members will attend the Union Sunrise Service at Mountain Rest cemetery Sunday morning.

**FOR SALE:** 1941 Ford Car. Phone 68. a-18-pd

Tidal waves hit coastlines once in 30 years. The inland tidal waves of erosion are constant unless controlled by meadow strips, terraces and crop rotation.

An average of 2,740 passenger vehicles were retired from service each day during the past four years. Total number dropping out of service for the period amounts to about 4,000,000 cars.
