A Local Lady Spit Up Acid Liquids For Hours After Eating

For hours after every meal a Kings Mountain lady used to spit up a strong, aciduous liquid mixed with pieces of half-digested food. She says it was awful. At times she would nearly strangle. She had a stomach bloot, daily headaches and constant irregular bowel action. Today, this lady eats her meals and enjoys them. And she says the change is due to taking INNER-AID. Her food agrees with her. No gas, bloot or spitting up after eating. She is also free of headaches now, and bowels are regular, thanks to this Remarkable New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by All drug Stores here in Cleveland County. —adv.
