"I Will Always Be Grateful For This Foot Relief . . ."

Says
MRS. C. A. COLE, Registered Nurse
74 Baxter St. Rutland, Vermont

MRS. COLE CONTINUES: "The subject of foot comfort has been my supreme thought for 30 odd years. I have tried any number of combinations with little or no satisfaction. "The two years which I have been using I. D. I. Foot Massage Cream have been a great satisfaction and pleasure. I think of the many, many days I could have done a better and longer piece of work. "As I contact many people with foot discomfort, I tell them gladly what I have found. I will always be grateful to you and your company for presenting this relief."

TELEPHONES for FARMERS
a Big Part of Our
Expansion Activities

We're busily engaged in rural telephone service extension, which is a major objective of our current expansion activities.

Farm telephone service does more than provide the convenience of the telephone to people in rural areas. It places more and more farm residents in contact with people and businesses in town, and in turn puts these people in contact with the farm families . . . makes telephone service more valuable and beneficial to all.
