YOU'LL BE HAPPY WITH YOUR NEW CHEVROLET

We're getting our fair quota of new Chevrolet cars and trucks—but, of course, not enough to supply the accumulated demand. So don't give up hope. And here's some important advice:

KEEP YOUR OLD CAR IN GOOD RUNNING CONDITION

Until your new car comes along, keep your present car and keep it up—in performance and in trade-in value—with regular maintenance, and with prompt repairs when repairs are indicated.

Put in your order for a new car and—in the meantime—let us service your car regularly.
